# Chapter 1: Introduction

## USBC Mission

The United States Bowling Congress, as the national governing body, ensures the integrity and protects the future of the sport, provides programs and services and enhances the bowling experience.

## **Membership**

### How Obtained

Membership in USBC is composed of adults and youth who have paid the appropriate USBC, and if applicable, state and local association dues. Membership in USBC may be obtained through a league, tournament, chartered association, Alliance-at-Large and via BOWL.com. Upon completing a membership application card and paying the appropriate dues, an individual becomes a member of USBC plus one USBC local and one USBC state association.

A new member who joins a summer league after March 15 of the current season shall, at the time the individual files his/her application for membership, pay only those annual USBC, state and local dues that are then known to be, or to become, effective for the next season. Upon payment of such dues, the individual shall be granted membership in USBC and applicable state and local associations for the balance of the current season and the next season.

A bowler must pay dues in each local association in which he/she applies for membership and/or bowls, except as provided in Rule 100e, Traveling leagues, 100l, Mail-o-graphic leagues or if the associations have a reciprocal agreement to waive dues. When a bowler joins a local association, he/she shall join the applicable state association. Regardless of the number of state and local associations in which an individual holds membership, he/she shall pay current USBC national membership dues only one time.

Upon obtaining membership in USBC each member agrees to be bound by all final decisions of USBC concerning application or interpretation of USBC Bylaws, playing rules and other matters relating to the sport of bowling as governed by USBC.

### Required Fees

Each individual applying for USBC membership shall pay annual dues not to exceed:

<u>Adult Dues</u>		<u>Youth Standard Dues</u>		<u>Youth Basic/High School Dues</u>	
USBC	\$10.00	USBC	\$14.50	USBC	\$4.00
Maximum State	\$ 1.00	State	\$ .50	Local Processing	\$1.00
Maximum Local	\$10.00	Local Processing	\$ 2.00	<b>Total</b>	<b>\$5.00</b>
<b>Total Maximum</b>	<b>\$21.00</b>	<b>Total</b>	<b>\$17.00</b>		

State and local dues (adult only) amounts will not exceed the maximums established by USBC delegates. Youth dues may be different from adult dues.

Members of multiple local associations pay the appropriate state, if required, and local dues or processing fees (youth), unless the associations have a reciprocal agreement to waive or reduce dues.

If a youth purchases youth an adult membership, national dues are only paid once.

### **Effective Dates**

---

On receipt of a membership application and the appropriate dues, a membership card will be valid:

- a. For the season starting August 1 through July 31.
- b. Through October 1 of the following season for summer leagues and tournaments.  
Youth who turn 20 during the season are not granted the October 1 extension for tournament play; youth membership expires July 31 of the season in which they turn 20 years old. If a youth member bowling in a summer league turns 20 during the season and the league continues beyond July 31, the bowler may complete the league as a youth bowler. **For individuals authorized as mentally challenged, the age requirement is waived.**
- c. Through the balance of the current season and the following season when purchased after March 15 either through a summer league or associate membership.

For membership to be effective as of the date purchased in a league, the league secretary must forward the league membership dues, application cards and league application to the local association within 30 days. Otherwise, membership benefits are not effective until the date received at the local association office.

Possession of a valid membership card entitles the bowler to participate in all USBC competition for which they are otherwise qualified.

### **Changes in Dues**

---

The maximum dues structure for adults may only be changed by the USBC delegation. The dues structure for youths may only be changed by the USBC Board based on recommendations from the Youth Committee.

## **Types of Membership**

Substitutes in USBC Sport Bowling leagues are permitted to participate in one league session per season without the requirement to purchase Sport Bowling membership if he/she already has purchased USBC standard membership for the current season. Only USBC Sport Bowling members are eligible for USBC Sport Bowling awards.

The standard USBC membership dues for USBC Lifetime members will be paid by USBC, but the bowler is responsible for paying the additional Sport Bowling dues.

### 2c. Strike

---

A strike is made when the full setup of 10 pins is knocked down with the first delivery in a frame. It is marked by an (x) in the small square in the upper right-hand corner of the frame where it was made. The count for one strike is 10 plus the number of pins knocked down on the player's next two deliveries.

### 2d. Double

---

Two consecutive strikes is a double. The count for the first strike is 20 plus the number of pins knocked down with the first delivery following the second strike.

### 2e. Triple or Turkey

---

Three successive strikes is a triple or turkey. The count for the first strike is 30. To bowl the maximum score of 300, the player must bowl 12 strikes in succession.

## 2f. Spare

---

A spare is scored when pins left standing after the first delivery are knocked down with the second delivery in that frame. It is marked by a (/) in the small square in the upper right-hand corner of the frame. The count for a spare is 10 plus the number of pins knocked down by the player's next delivery.

## 2g. Open

---

An open is recorded when a player fails to knock down all 10 pins after two deliveries in a frame.

## 2h. Split

---

A split is a setup of pins left standing after the first delivery, provided the head pin is down and at least one pin is down:

1. Between two or more standing pins; e.g., 7-9 or 3-10.
2. Immediately ahead of two or more standing pins; e.g., 5-6.

**NOTE:** A split is usually designated by a (0), but any other symbol may be used.

## Rule 3 - Modified Format

Competition in which a modified game of American tenpins is played or bumpers are used may be certified by USBC. With the exception of bumpers, all USBC equipment specifications shall apply to such competition and all USBC rules shall apply insofar as practical, in addition to the following:

1. Games bowled using the modified format shall not be included in averages established in league play for entry in standard American tenpin competition.
2. Only award scores bowled using the standard American tenpin scoring system as described in Rule 2a and meeting USBC equipment specifications qualify for USBC awards. Members are not eligible for any USBC awards based on average.
3. **Bumper Bowling:** USBC Youth members in USBC bumper bowling leagues are eligible for Bowlopolis awards on a progressive merit basis.

USBC may permit modifications or variations in team play formats for the purposes of exhibition events, television bowling or playoff matches resulting from USBC tournament competition in the qualifying rounds. The results of such events should be included in the tournament's prize or awards programs.

**NOTE:** For types and descriptions of modified formats including Baker System, see the *USBC League Operations Handbook*, *Tournament Managers Manual*, or [BOWL.com](http://BOWL.com).

## Rule 4 - Delivering the Ball

### 4a. Legal Delivery

---

A delivery is made when the ball leaves the player's possession and crosses the foul line into playing territory. Every delivery counts unless a dead ball is declared. (See Rule 8.) A delivery must be made entirely by manual means. No device may be incorporated in or affixed to the ball that detaches on delivery or is a moving part during delivery except as provided in Rules 4b and 4c.

#### **4b. Special Equipment to Grip the Ball**

---

A player may use special equipment to aid in grasping and delivering the ball if it is in place of a hand, or major portion thereof, lost by amputation or otherwise.

#### **4c. Mechanical Aids to Grip the Ball — Alternating Delivery**

---

A player may, if granted permission by USBC Headquarters and each league or tournament in which the player participates, alternate right/left-handed delivery and/or use special equipment to aid in grasping and delivering the ball.

1. Unless the individual is unable to impart force or impetus to a ball, the aid cannot incorporate a mechanical device with moving parts that would impart force or impetus to the ball.
2. Permission may be granted if the following is submitted to USBC Headquarters:
  - a. A doctor's certificate describing the disability and the reason to alternate right/left-handed delivery and/or recommending the aid.
  - b. A description, drawing or model of the aid (only for mechanical aid).

When authorization is given, USBC Headquarters will provide the player with a special card stating that alternating right/left-handed delivery and/or the use of the specified mechanical aid has been approved. If permission is denied, the player has the right of appeal to the USBC Legal Committee. Permission may be withdrawn for cause.

#### **4d. Special Considerations to Deliver the Ball**

---

A player unable to execute a delivery in accordance with any of the foregoing procedures may bowl in USBC competition provided:

1. The league's board of directors or tournament management authorizes such participation.
2. The league's board of directors or tournament management establishes specific provisions to govern such participation.

The average established by the player is not acceptable in another league or tournament unless allowed by the rules of that league or tournament. The bowler is eligible for all USBC awards.

#### **4e. Tournament Average Relief**

---

Relief of an average, due to injury or disability, for entry into a tournament must be approved by USBC Headquarters in accordance with the following:

1. A player who has become injured or disabled may request relief of his/her USBC average by providing the following information to USBC Headquarters:
  - a. A doctor's certificate describing the:
    - 1) Disability or injury.
    - 2) Length of disability or injury.
    - 3) Reason for a downward average adjustment.
  - b. Bowler's weekly game-by-game bowling record and current standing sheet from each USBC league in which the player is participating.

2. If authorization is granted, USBC will notify the player:
  - a. The minimum average a tournament may assign the player.
  - b. The time limit for the relief.
3. Tournament management may, prior to participation:
  - a. Accept the bowler's highest current USBC league average, provided it meets or exceeds the minimum established by USBC.
  - b. Assign the bowler an average that meets or exceeds the minimum established by USBC.
  - c. Deny the relief and require the bowler to use the average as stated in tournament rules.

Permission may be withdrawn for cause.

## Rule 5 - Fouls

### 5a. Definition

---

A foul occurs when a part of the player's body encroaches on or goes beyond the foul line and touches any part of the lane, equipment or building during or after a delivery. A ball is in play after a delivery until the same or another player is on the approach in position to make a succeeding delivery.

The certification and inspection committee of a local association can require that the foul line be plainly marked on the walls, posts, division boards or any other structure in a bowling center on a line with the regular foul line.

When a foul is recorded the delivery counts, but the player is not credited with any pins knocked down by that delivery. (See Rule 6b.)

**NOTE:** The foul line is of infinite length including walls, flooring, posts and ball returns. A foul is not committed when foreign objects such as pens, jewelry, coins, cigarettes, etc., drop from a bowler's pocket or fall from a person's body or clothing. (Footwear and clothing are considered part of the body.) A player should request permission to cross the foul line to retrieve any items that have fallen beyond the foul line.

#### 5a/1 What happens when there is a dispute over a foul call?

According to Rule 10, a provisional ball should be thrown when there is a controversy. A provisional ball or frame shall be bowled when a protest involving a foul cannot be resolved by the two team captains.

When a dispute over a foul occurs, the player shall complete the frame and then bowl one provisional ball. The score sheet or printout and a record of both scores for the frame in which the provisional delivery is made, shall be kept. The protest must be referred to the league board of directors for a decision.

#### 5a/2 A player goes over the foul line while retaining possession of the ball. Is this considered a foul?

No, a legal delivery must be executed for a foul to be committed. A legal delivery is made when the ball leaves the player's possession and crosses the foul line into playing territory.

**5a/3 A member of a team crosses onto an adjacent approach when making a delivery. Is this considered a foul?**

A foul is not called when a bowler crosses onto an adjoining approach area. However, if the bowler steps over the foul line on that lane, it is considered a foul.

**5a/4 Is a foul called when the ball rolls over the foul line during delivery and the foul detector is activated?**

The bowling ball is not considered a part of the bowler's body. If the bowler did not step on or go beyond the foul line, a foul is not recorded.

### **5b. Deliberate**

---

When a player deliberately fouls to benefit by the calling of a foul, the player shall be credited with zero pinfall for that delivery and not allowed further deliveries in that frame. If questions arise, Rule 10, Provisional Ball, should be followed.

### **5c. Foul Detection**

---

A USBC approved automatic foul detecting device must be used, if available. When not available or temporarily inoperative, the following procedures shall be used to call fouls:

1. In tournament play, management shall assign a foul judge or have the official scorers call fouls.
2. In league play, the opposing team captains shall call fouls or a foul judge shall be appointed.

Failure to provide for the calling of fouls as specified shall disqualify scores bowled for USBC high score award consideration.

**5c/1 What happens if our foul lights are not available?**

If not available the opposing captains call fouls or designate someone to act as a foul judge. Under these circumstances, members of the league should be advised the captains are responsible for the calling of fouls or they are to designate someone to act as a foul judge.

### **5d. Apparent**

---

A foul shall be declared and recorded if the automatic foul detecting device or foul judge fails to call a foul that is apparent to:

1. Both captains, or one or more members of each of the opposing teams, or
2. The official scorer, or
3. A tournament official.

If there is a dispute, refer to Rule 10, Provisional Ball.

## **Rule 6 - Pinfall**

### **6a. Legal Pinfall**

---

Pins to be credited to a player following a legal delivery shall include:

1. Pins knocked down or off the lane surface by the ball or another pin.

2. Pins knocked down or off the lane surface by a pin rebounding from a side partition or rear cushion.
3. Pins knocked down or off the lane surface by a pin rebounding from the sweep bar when it is at rest on the pin deck before sweeping dead wood from the pin deck.
4. Pins that lean and touch the kickback or side partition. All such pins are termed dead wood and must be removed before the next delivery.

No pins may be conceded, and only pins actually knocked down or moved entirely off the playing area of the lane surface as a result of a legal delivery may be counted.

### **6b. Illegal Pinfall**

---

When any of the following occur, the delivery counts but the resulting pinfall does not:

1. A ball leaves the lane before reaching the pins.
2. A ball rebounds from the rear cushion.
3. A pin rebounds after coming in contact with the body, arms or legs of a human pinsetter.
4. A pin is touched by mechanical pinsetting equipment.
5. Any pin knocked down when dead wood is being removed.
6. Any pin knocked down by a human pinsetter.
7. The player commits a foul.
8. A delivery is made with dead wood on the lane or in the gutter and the ball contacts such dead wood before leaving the lane surface.
9. A delivery is made with dead wood on the lane or in the gutter, and a pin, after coming into contact with the dead wood, knocks down one or more pins.

If an illegal pinfall occurs and the player is entitled to additional deliveries in the frame, the pin(s) illegally knocked down must be respotted where it (they) originally stood before delivery of the ball.

## **Rule 7 - Pins**

### **7a. Improperly Set**

---

It is each player's responsibility to determine if a setup is correct. The player shall insist that any pin(s) incorrectly set be respotted before delivering the ball, otherwise the setup is deemed to be acceptable.

When bowling at a full setup or to make a spare, if it is discovered immediately after the delivery that one or more pins are set improperly, but not missing, the delivery and resulting pinfall count.

No change can be made in the position of any pin(s) left standing after the bowler's first delivery, unless:

1. The pinsetter moved or misplaced any pin(s), or
2. Any standing pin(s) is (are) outside the range of the sweep bar.

Any such pin(s) will be respotted where it (they) originally stood before the delivery.

## 7b. Rebounding

---

Pins that rebound and stand on the lane must be counted as standing pins.

## 7c. Replacement

---

Should a pin be broken or otherwise badly damaged during the game, it shall be replaced at once by another pin as nearly uniform in weight and condition with the set in use. The league or tournament officials shall determine whether pins shall be replaced.

A broken pin does not change the score made by the bowler. The pins knocked down are counted, after which the broken pin is replaced.

## Rule 8 - Dead Ball

When a dead ball is called, the delivery does not count and the correct pins must be respotted. The player is allowed to rebowl that delivery.

A ball shall be declared dead if any of the following occur:

- a. After a delivery, attention is immediately called to the fact that one or more pins were missing from the setup.
- b. A human pinsetter interferes with any standing pin before the ball reaches the pins.
- c. A human pinsetter removes or interferes with any downed pin before it stops rolling.
- d. A player bowls on the wrong lane or out of turn, or one player from each team on the pair of lanes bowls on the wrong lane. (See Rule 9.)
- e. A player has physical contact with another person or moving object as the ball is being delivered and before delivery is completed. In such case, the player has the option to accept the resulting pinfall or have a dead ball called.
- f. Any pin is moved or knocked down as a player delivers the ball but before the ball reaches the pins.
- g. A delivered ball comes in contact with a foreign obstacle.

### 8/1 **If an individual bowls out of turn does the delivery count?**

No, according to Rule 8, Item d, a dead ball would be declared and the correct bowler is then required to continue play.

### 8/2 **A player made the first delivery when the pinsetting machine was set on the second cycle. Seven pins were knocked down and the remaining pins were swept away as the machine reverted to cycle one. Should a dead ball have been declared and the pins reset?**

Since the bowler made a legal delivery and the pins were properly set, there would be no basis for declaring the first delivery a dead ball. The three pins left standing would be reset for a second delivery in accordance with Rule 6b.

- 8/3** On the second delivery, the sweep bar comes down and deflects the ball before it can make contact with the remaining pins. When this happens, what should we do? According to Rule 8, Item g, a dead ball is declared when a player's ball comes in contact with any foreign obstacle. The sweep bar is considered a foreign obstacle, and the player is required to have the pin(s) remaining respotted and rebowl the second ball.

## **Rule 9 - Bowling on Wrong Lane**

In league or tournament play, a dead ball shall be called and the player or players required to rebowl on the correct lane when:

- a. One player bowls on the wrong lane.
- b. One player from each team on the pair of lanes bowls on the wrong lane.

If more than one player on the same team bowls on the wrong lane in turn, all deliveries stand as bowled. Upon discovery, bowlers shall complete subsequent frames on the correct lanes.

In singles match play competition, where a player normally bowls two frames each time it is the player's turn to bowl, and the player bowls on the wrong lanes, a dead ball shall be called and the player required to rebowl on the correct lanes, providing the error was discovered before the opposing player has made a delivery. Otherwise, the score stands as bowled, with all subsequent frames in the game bowled on the correct lanes.

## **Rule 10 - Provisional Ball**

A provisional ball or frame shall be bowled when a protest involving a foul, legal pinfall or a dead ball is made and cannot be resolved by the two team captains or a tournament official.

The following procedures apply when a dispute occurs:

- a. For the first ball of any frame, or after the second ball in the 10th frame if the first ball was a strike:
  1. Foul: The player shall complete the frame and then bowl one provisional ball at a full setup of pins.
  2. Illegal Pinfall: The player shall complete the frame and then bowl one provisional ball at the same setup which would have remained standing had the disputed pin(s) not have fallen.
  3. Dead Ball: The player shall complete the frame and then bowl a complete provisional frame.
- b. On a spare attempt or the third ball of the 10th frame:
  1. Foul and Illegal Pinfall: No provisional ball is necessary.
  2. Dead Ball: A provisional ball shall be bowled at the same setup which was standing when the disputed ball was bowled.

The score sheet and a record of both scores for the frame in which the provisional delivery was made shall be kept. The protest must be referred to the league board of directors or tournament management for a decision. If they are unable to make a decision, the local association or USBC can be asked for a decision on submission of the facts relating to the protest.

## **Rule 11 - Forfeit - Delay of Game**

No unreasonable delay in the progress of any game is permitted. If a player or team in a league or tournament refuses to proceed with a game after being directed to do so by a league or tournament official, the game or series shall be declared forfeited.

## **Rule 12 - Approaches Must Not Be Defaced**

The application of any foreign substance on any part of the approach that detracts from the possibility of other players having normal conditions is prohibited. This includes, but is not limited to talcum powder, pumice and resin on shoes, and/or soft rubber soles or heels that rub off on the approach.

**12/1 One of the bowlers is having a difficult time sliding on the approach and applies a commercial product purchased at the center pro shop to the bottom of his/her shoes. The product is designed to help a bowler slide. The secretary says she has received a complaint from the opposing team and notifies the individual to stop using the substance or the game will be forfeited. Can an officer tell a bowler to stop using the substance and declare the game forfeited?**

Commercial products, talcum powder or any substance applied to the shoe or approach could be in violation of Rule 12. If a league participant uses a substance and somebody complains that it prohibits him/her from having normal conditions, the league officer should require the individual to immediately stop his/her action. If the individual refuses, his/her games are subject to forfeiture.

## **Rule 13 - Parental Consent**

Unmarried grade school and high school students under the age of 18 must have written consent of a parent or guardian before participating in any USBC league or tournament where any participant is awarded cash, bonds, gift certificates or merchandise prizes.

Such consent must be on file with the league secretary or tournament manager at least one week before participation when the youth is unaccompanied by a parent or guardian. If the youth is accompanied by his/her parent or guardian the form must be submitted prior to his/her participation. Failure to file the consent form will cause the player to be ineligible and subject games bowled to forfeiture or disqualification.

**NOTE:** A copy of the Parental Consent form can be found in the *League Operations Handbook* on BOWL.com.

## Rule 14 - Supplemental Fees

No member of USBC shall participate or be involved in the operation of a scheme or arrangement requiring a supplemental fee of any type or character for the purpose of having any part or all of a player's score in USBC league or tournament play qualify for a prize where competing entrants bowl in different bowling centers, except as follows:

- a. Mail-o-graphic league.
- b. Mail-o-graphic tournament.
- c. League scores may be used to determine prize winners in a supplementary contest when the following conditions are observed:
  1. A minimum of two-thirds of the gross collected as entry fees must be donated to a recognized charitable organization.
  2. Entry is made available to all bowlers in a single local association and its metropolitan area.
  3. Operating costs shall not exceed 10 percent of entry fee.

**Penalty:** Membership may be suspended or denied to anyone who is a participant or involved in a violation of this rule.

## Rule 15 - Gambling

A member of USBC, while bowling in USBC competition, shall not participate or be involved in the operation of any gambling scheme which is in violation of any applicable law, where all or part of a score bowled in USBC play determines the winner.

Contests or schemes which threaten the integrity of the game and/or entice a player to bowl beneath his/her ability are strictly prohibited.

**Penalty:** Membership may be suspended or denied to anyone who is a participant or involved in the violation of this rule.

**NOTE:** Side competitions/brackets in leagues/tournaments where the participating bowlers pay a fee, optional or otherwise, and receive prizes for high game and/or series, with or without handicap, do not violate the rule because these involve merit pinfall based solely on the skill of the participant.

## Rule 16 - Suspended Bowler Ineligible

A suspended bowler or a bowler who has been denied USBC or CTF membership is ineligible to bowl, pace or hold office in any USBC league or tournament until reinstated.

**Penalty:** When a team:

1. Unknowingly uses a suspended bowler, games are subject to forfeiture in accordance with Rule 119.

2. Knowingly uses a suspended bowler, it shall forfeit all games in which the suspended player was used and all involved are subject to suspension.

## **Rule 17 – Grounds for Disciplinary Action**

### **17a. Unfair Tactics**

---

An individual can be charged with attempting to gain an unfair advantage in league or tournament play for the following reasons:

1. Directly or indirectly tampering with lanes, pins or bowling balls so they no longer meet USBC specifications.
2. Misrepresenting an average to gain a greater handicap, or qualify for a lower classification in an event.
3. Establishing an average below the player's ability to gain an unfair advantage in handicap or classified competition.

3. Failing to pay fees due for participation in a USBC league or tournament. (See Rule 115b for league procedures to suspend an individual for nonpayment of league fees.)
4. Misusing/mishandling/misappropriation of any funds collected or held in trust for USBC, a league or tournament or a chartered local or state association.
5. Misfeasance, malfeasance, or nonfeasance of office.

**Malfeasance – Wrong doing or misconduct.**

**Nonfeasance – Failure to act, especially failure to do what should be done.**

**Penalty:** Membership may be suspended or denied to anyone who is involved in a violation of this rule. Leagues may also remove the individual following the provisions in Rule 115a or 115c.

**NOTE:** A complaint may be filed only in the current season or the season immediately following the alleged violation. The complaint shall be in writing and detail the charges against the member(s) and the USBC rule(s) involved. The complaint shall be signed by the person(s) making the charges and filed with USBC Headquarters.

### **17c. Improper Conduct by Adult Leader**

1. Explain to the youth bowler:
  - a. How they violated Rule 400 and that youth membership could be suspended or denied because of the violation.
  - b. They must stop bowling in the activity immediately.
  - c. Any cash or awards received in violation of Rule 400 must be returned.
  - d. The violation will be documented with USBC Headquarters.

2. File a written report to USBC Headquarters. The report should be filed within seven days of contacting the youth bowler and include:

## **Rule 18 - Bowling Ball - Altering Surface**

Altering the surface of a bowling ball by the use of abrasives while bowling in USBC competition is prohibited.

All bowling balls so altered must be removed from the competition. (See *Specs Manual* on BOWL.com)

**NOTE:** If it is shown the bowler had prior knowledge his/her actions were in violation of Rule 18, the game(s) in which the violation occurred is (are) subject to forfeiture. In addition, the bowler is subject to dismissal from the league and suspension of membership.

Competition is defined as the remainder of the current game and remaining game(s) in the series being bowled.

The use of approved cleaning agents such as isopropyl (rubbing) alcohol and polishing machines is permissible.

### **18/1 When can an approved cleaner be used on a bowling ball?**

Unless otherwise provided by league or tournament rule, cleaners approved by USBC can be used on bowling balls at any time during USBC competition. For a complete list of approved and non-approved cleaning agents, see BOWL.com.

**18/ 2 When may I alter the surface of my bowling ball?**

- a. Cleaning – Cleaners approved for use anytime may be utilized before, during or after certified competition; cleaners approved for only before and after competition may only be used during these times.
- b. Sanding – You are permitted to sand the surface of your bowling balls prior to certified competition, however, the use of abrasives is strictly prohibited after the start of competition.
- c. Polishing – You are permitted to polish the surface of your bowling ball prior to competition. However, once tournament or league play begins, the use of a ball spinner is strictly prohibited; only an automated, self-contained polishing machine may be used.

**18/3 A tournament consists of doubles and singles events. The singles event is bowled first immediately followed by the doubles. Can I sand my bowling ball between events?**

No, Rule 18 does not allow the outer surface of any bowling ball to be altered with an abrasive after the start of competition. This includes balls that have not yet been introduced into play. The start of competition is defined as the point the first ball is thrown by any participant for score. Since the tournament is conducting singles and doubles concurrently, you cannot alter the surface of the bowling ball (including sanding) between events.

#### **100a/1 Is the bowling center required to provide an open lane(s) on either side of a league during league play?**

This form cautions parents/guardians of the possible consequences if the youth bowls in a USBC league or tournament. If it is singles competition offering such prizes, the league would have to agree to award the youth's prize in the form of a scholarship or the youth must sign a form waiving his/her rights to any prize in violation of Rule 400. A copy of the Parental Consent Form and USBC Singles Competition Prize Waiver is available on the Rules section of BOWL.com.

3. Keep minutes of all league meetings, handle all league correspondence and notify the members or team captains of all league meetings.
4. Have a current standing sheet available for the members to see at each league session. The standing sheet shall contain the average, number of games and total pins for each member, and any scores eligible for special prizes the league issues. (For more information on completing standing sheets, see the *League Operations Handbook* on BOWL.com.)
5. Be responsible for a record of the scores bowled by all team members and substitutes, and report scores that are eligible for USBC, state and local association awards.
  - a. Submit a completed award application within 20 days.
  - b. Notify the local association manager or authorized representative within 48 hours of scores that are eligible for USBC honor score recognition.
6. Give each member of the board a copy of the league rules and prize list and see that the league schedule is either posted in the bowling center or given to each team captain.

7. Give a copy of the final standing sheet to the league treasurer so the awards can be distributed.
8. Turn over to the newly-elected officer all league records, such as minutes of meetings, copies of rules and prize lists, league property, etc.
9. Furnish a list of individual averages to the local association manager(s), when requested. The list must show the full names and ID numbers of all bowlers who competed in the league, the number of games bowled, total pinfall and average for each bowler.
10. On request of the local association or USBC, provide a list of names and addresses of the league officers; and the names of captains and members in the league.
11. Notify league members of all local association meetings and any proposed changes in local association dues.

In youth leagues that do have a board, the secretary shall assist the league official in the responsibilities of the league secretary.

**NOTE:** In leagues using a computer and/or average service, the elected secretary remains responsible for all the duties specified in Rule 102e.

### **102f. Duties of the Treasurer**

---

The treasurer shall perform the following duties:

1. Establish a bank account in the name of the league with the signatures of at least two officers needed for withdrawals. Ensure the statement is sent to the league president.
2. Arrange to have all league funds deposited within one week of receipt.
3. Be responsible for a complete accounting of all receipts and disbursements. On the request of the president or board, furnish a current financial statement to each team captain.
4. Distribute all prizes within 21 days after the end of the league schedule unless:
  - a. The board has set another time for distributing prizes, or
  - b. USBC has authorized holding up payment pending settlement of a claim or protest affecting prize distribution.
5. When the prizes are distributed, give each team captain and/or member a detailed financial statement, showing all income received on behalf of the league and an accounting of all money disbursed. The financial statement must also show the prizes distributed and list to whom they were awarded.
6. Turn over all financial records to the newly-elected officer upon election.
7. All financial records, whether in possession of the former officer or newly-elected officer, shall be retained for at least one year from the completion of the season.

In youth leagues that do have a board, the treasurer shall assist the league official in the duties of the treasurer.

**NOTE:** In leagues using in-house banking services, the elected treasurer remains responsible for all the duties specified in Rule 102f.

The treasurer must be eligible under the bonding requirements.

(For more information on managing league funds, see the *League Operations Handbook* on BOWL.com)

### **102g. Duties of the Sergeant-at-Arms**

---

The sergeant-at-arms shall perform such duties as may be required by the president or the board of directors.

### **102h. Duties of the League Supervisor (Youth Leagues Only)**

---

The league supervisor is designated by the organizer of the youth league and is responsible for:

1. The league president duties. In youth leagues that do have a board, the president will assist the league supervisor.
2. Granting prebows and postponements, unless the authority is given to an appointed committee or the league official.
3. Cosign for withdrawal of funds from the league account(s).

**NOTE:** The league supervisor and league official cannot be members of an immediate family.

(For more information on managing league funds, see the *League Operations Handbook* on BOWL.com.)

### **102i. Duties of the League Official (Youth Leagues Only)**

---

The league official is designated by the organizer of the youth league and is responsible for:

1. The league secretary and treasurer duties. In leagues that do have a board, the secretary and treasurer will assist the league official.
2. Filing a written report of all Rule 400 violations to the local association for possible disciplinary action. (See Rule 17e.)
3. Working with the league supervisor to:
  - a. Adopt rules prior to the start of the schedule, unless the league has a board of directors.
  - b. Enforce the league and USBC rules.
4. Adopting an awards list within the first five weeks of league play and stating how awards fees collected will be disbursed, unless the league has a board of directors. (See Rule 103a.)
5. Cosign for withdrawal of funds from the league account(s).

(For more information on managing league funds, see the *League Operations Handbook* on BOWL.com.)

## **Rule 103 – Board of Directors**

### **103a. Management**

---

This rule is waived in youth leagues where a majority of the membership is comprised of youths 13 years or younger and for high school conference leagues.

The board of directors shall consist of the officers and team captains. In youth leagues that do have a board of directors, the adult supervisor and/or official also are members of the board. All other adults are advisors. The board shall govern the league with the following provisions:

1. A captain may name another team member to act as the team representative at board of directors meetings.
2. Each member of the board is entitled to one vote whether an officer of the league, a team representative or both.

3. A majority of the members of the board constitutes a quorum for the transaction of business, unless otherwise stated in the league rules.

### **103a/1 If the team captain is also an officer, can they vote as a captain and as an officer?**

No. Each member of the board is entitled to one vote, whether a league officer, team representative or both. The rule also states a captain may designate another team member to act as the team representative at board meetings. Therefore, if the captain designates another member, the captain is entitled to vote by virtue of the office held, with the other member voting as team representative.

## **103b. Duties**

---

The board of directors or the youth league supervisor and official shall be responsible for:

1. Making decisions on all matters arising in the league.
2. Deciding all protests involving USBC or league rules. The decision of the league board is final unless an appeal is made under the provisions of Rule 119. (Guidelines on how to handle a protest can be found on BOWL.com.

**NOTE:** When a team and/or individual is found to be ineligible under league or USBC rules, the game shall be forfeited unless there is a decision to declare the game null and void. In the latter case, a decision shall also be made as to whether the game shall be rebowled.

### **103b/1 When games bowled are protested, what decisions may the board make?**

The board should first determine if the protest was filed within the time limits prescribed in Rule 119. If the protest is timely, the board can declare game(s):

**Forfeited:** If a rule was violated.

**Null and void and rebowled:** If a rule was violated, but was not complied with due to misinformation or mitigating circumstances. If games are declared null and void, the board should make another decision as to whether the games should be rebowled.

**Stand as bowled:** If it is found there is no cause for action.

### **103b/2 The board decides to null and void the games of two teams involved in a protest. What happens to the original games bowled?**

Both team and individual records are eliminated. This includes wins and losses, averages, prize consideration, etc. In other words, a null and void game no longer exists, except for USBC award recognition. (See the note below.) The series scores are deleted from the bowler's average records as of the date of the decision.

For example, if an individual bowled a 498 series December 3 and the board ruled the match null and void January 7, the 498 series is subtracted from the total pins in the average record and total number of games as of January 7. A new average is computed. The same holds true for all other bowlers with games declared null and void.

When the match is rescheduled, the current average is used for handicapping purposes and lineup changes may be made.

**NOTE:** If a USBC award is earned and the scores declared null and void by the league board, the null and voided scores may be recognized for USBC awards and the league secretary should file an award application.

## **Rule 104 – Teams**

### **104a. Team Captain's Authority**

---

A team captain is a member of the league authorized to organize and enter a team in league play. The captain is the team representative and shall perform the following duties:

1. Determine the members of the roster and be responsible for the eligibility of the team and its members under the rules of the league and USBC.
2. Collect USBC, state and local association dues, where applicable, from each member of the team and remit such fees to the league secretary.
3. Be responsible for the conduct and attendance of the team in league play. It is within the captain's authority to permanently remove any player from the team. If requested, good and sufficient reason for the removal must be furnished to the board.
4. Enter the lineup in the computer and/or on the recap sheet before the start of each scheduled series.
5. Sign the score books and have the scores verified by the opposing captain. (See Rule 116a regarding obvious errors.)
6. Be responsible for the collection of league fees from each member of the team for remittance to the league treasurer.
7. Pay each member of the team within 15 days after receiving prize money in accordance with verbal or written agreements. The league board shall decide a dispute over prize money distribution.

**Youth leagues:** The captain is elected by the team and only responsible for Items 5 and 6.

#### **104a/1 May a captain change the lineup from game to game?**

Yes. Unless it is a match point league or there is a league rule to the contrary, a captain may change the lineup from one game to the next. Rule 106b, Item 1, states that once a game has started, no changes to the order can be made after the start of a game. The rule does not place a restriction on making changes during a series. A captain may change the order of the players, replace a substitute with a regular member or make any other lineup change from one game to the next.

#### **104a/2 Can a captain remove a member of the team during the season?**

Rule 104a, Item 3 states, it is within the captain's authority to remove any bowler permanently from a team. However, the captain must furnish good and sufficient reason upon appeal to the league's board.

If bowlers are removed, and are not dismissed under Rule 115a, they are eligible to receive a prorated share of the team prize money at the end of the season, based on the number of games bowled and the amount of prize money won by the team. In addition, the bowlers receive any special prizes for which they have qualified.

### **104b. Franchise and Roster**

---

The rosters of all teams shall automatically disband at the end of the season. A team franchise (team spot) in the league shall be held by the team captain provided the captain:

1. Is acceptable to the majority of the full membership of the board of directors.
2. Notifies the league secretary of his/her intention to retain the franchise on or before a date set by the league. Failure to do so will result in the franchise returning to the control of the board of directors.

A franchise cannot be recalled during the season without sufficient cause.

### **104c. Replacement During Season**

---

When a team is replaced, the new team shall assume the position standings of the replaced team, unless the league ruled otherwise. A new team must be advised of the financial status of the team or individual they replaced.

### **104d. Uneven Number**

---

When a league has an uneven number of teams, the team scheduled against the nonexistent team cannot be credited with the points by forfeit. The Earn the Points system is used unless the league board of directors, by majority vote, decides to use the Bye or Draw System. The following procedures apply for each system:

1. Earn the Points:
  - a. An individual must bowl at least his/her average less ten (10) pins and/or teams must bowl at least the team average less ten (10) pins per player, unless the league board states another number.
  - b. Points not won by the team for failing to bowl the prescribed score should be recorded on the standing sheet as "unearned" points.
2. Draw System:
  - a. Teams bowling the vacant team will draw a team or be scheduled against another team from the league to earn points.
  - b. The scores bowled will be used as if bowling in direct competition with the drawn/scheduled team.
3. Bye System:
  - a. Team scheduled against the vacant team does not bowl.
  - b. Position standings shall be determined on a percentage basis.

In all cases, the games bowled by the team that withdrew or was dismissed must stand.

#### **104d/1 How are points awarded when a team ties the target score?**

When a team meets or exceeds the target score, the points are earned.

#### **104d/2 What do we do if our league starts the season with an uneven number of teams and a team is added during the season?**

USBC recommends the board meet and choose one of the following options:

**Option 1:** The league allows the new team to make up the games unopposed and match the

scores with teams that previously bowled what was considered a nonexistent team.

**Option 2:** The entering team is not allowed to make up games and the position standings are figured using a percentage basis.

**104d/3 What do we do if our league starts the season with an even number of teams and a team is added during the season?**

If the league adds a new team during the season giving it an uneven amount of teams, the league board has the following options:

**Option 1:** The entering team is not allowed to make up missed games and the position standings are figured on a percentage basis.

**Option 2:** The league allows the new team to bowl against their averages in making up any missed games.

**Option 3:** The league utilizes the draw system whereby the team bowling unopposed draws another team in the league and their scores are compared with that team to earn points.

No matter which option the league chooses, the league's schedule must be changed to reflect the new number of teams now bowling in the league.

## **Rule 105 – Absentee and Vacancy Scores**

### **105. Absentee and Vacancy Scores**

---

Leagues may adopt rules for absentee or vacancy scores and handicaps to decide league games, subject to the following:

- a. Absentee or vacancy scores may be used only when a legal lineup is present.
- b. Absentee or vacancy scores may not replace scores bowled by an ineligible player.
- c. In a singles league, no vacancy scores shall be used. Absentee scores will not be permitted, unless otherwise provided by league rule.
- d. A vacancy score is to be used when a team has an incomplete roster. Vacancy scores are subject to the following, unless otherwise provided by league rule:
  1. **Adult leagues:**
    - a) The vacancy score shall be 120.
    - b) In handicap leagues, the handicap must be based on the vacancy score used. Handicap shall not be limited.
  2. **Youth leagues:**
    - a) The vacancy score shall be the average of the lowest average bowler on the opposing team's roster.
    - b) If two or more vacancy scores are required, the average of the next-to-the-lowest bowler on the opposing team's roster shall be used for the second vacancy score.
    - c) In handicap leagues, the handicap must be based on the vacancy score used. Handicap shall not be limited.
    - d) The vacancy score is used until an individual bowls and establishes a current average.
- e. An absentee score is to be used when a member is absent and a substitute is not obtained. The following provisions apply unless otherwise provided by league rule:
  1. The absentee score for each game shall be the absent member's current average less 10 pins.

- In handicap leagues, the handicap shall be based on the absent member's current average.
2. Teams with additional players on the roster shall use the absentee score of the absent player with the:
    - a) Most games bowled.
    - b) Lowest absentee score when the absentees have the same number of games bowled.
    - c) Next highest number of games bowled when two scores are needed.
  3. When a team has an absent member without an established average according to league rules or USBC Rule 118c, a score of 120 will be used. In handicap leagues, the handicap shall be based on the score of 120.

**105/1 If an individual is absent the first night of bowling, is an absentee or vacancy score used?**

An absentee score is used unless otherwise provided by league rules or past precedent established in the league. If there is a question as to whether the individual absent is a member of the team's roster, the league board of directors decides the matter.

**105/2 If two members are absent and only one substitute is obtained, which absentee score is used?**

According to Rule 104a, Item 1, the team captain is responsible for the eligibility of the team and determines whom the substitute will replace. First, the captain determines whom the substitute will replace and then the absentee score is determined.

When the team has a limited roster, the process is easy. The captain selects the player the substitute replaces, and the absentee score of the other player is used.

When a team has additional players on its roster, the captain decides whom the substitute is replacing. Whoever the substitute is replacing, the absentee score for that absent member cannot be used. According to Rule 105, Item e(2), the absentee score of the player with the most games is used for the other player. If two absentee scores are needed after the substitute is in place, the absentee score of the absentee with the next highest number of games is used and when two absent members have the same number of games, the lower absentee score is used. (See CAQ 118d/1 for cap information.)

**105/3 My team had a substitute bowler show up on league night to replace one of our absentee bowlers. The substitute bowled the first game and then found it necessary to leave the bowling center for the remainder of the evening. Is the absentee score for the remaining two games based on the regular team member's average or the substitute's average?**

An absentee score is to be used when a member is absent and a substitute is not obtained. Since the substitute only completed the first game of the series, the absentee score for the remaining games must be based on the average of the absent regular team member.

**105/4 If a member resigns from the league and the spot is not filled within two weeks (fees were paid, but there is no substitute), what score should be used... absentee or vacancy?**

The absentee score should be used. In the situation described, the member resigned, but was not replaced immediately. Therefore, the player is still a member for those two weeks. Once the two weeks expire and a replacement has not been obtained, the vacancy score provided for in the league rules is used.

## **Rule 106 - League Game/Series**

### **106a. Series - How Bowled**

---

Two lanes immediately adjoining each other shall be used in each game of league play. The first game of a series shall start on the lane where the team is scheduled with each succeeding game starting on the lane where the team finished its previous game. At the option of the league, each game or frame may be bowled on a different pair of lanes.

### **106b. Order of Bowling**

---

Unless the league rules allow each game or frame to be bowled on a different pair of lanes, members of competing teams shall successively, and in regular order, bowl one frame on one lane, and for the next frame alternate and use the other lane until five frames are bowled on each lane of the pair.

1. No changes can be made in the order of players after the start of a game.
2. When a team bowls against another team or alone, the next frame may be started prior to completion of the previous frame, unless the league rules state otherwise.

### **106c. Interrupted Game/Series**

---

If equipment failure on a pair of lanes would delay the progress of a series, league officers can:

1. Authorize the game and series to be completed on another pair of certified lanes; or
2. Authorize the game and/or series to be bowled on one lane when another pair of certified lanes is not available. However, when the original pair or another pair of certified lanes becomes available, the team(s) may resume play on a pair of lanes.

An interrupted game and series shall be resumed from the point of interruption.

When authorized, the requirements of Rules 106a and 106b do not apply.

**NOTE:** Scores bowled while using one lane shall qualify for USBC award recognition.

### **106d. Bowling Out**

---

Unless the league rules state otherwise:

1. **Adult leagues:** A bowler may finish any one game of a series before teammates or opponents.
2. **Youth leagues:** A league member may not finish any game of a series before his/her teammates or opponents, unless the league official/supervisor determines an emergency or sufficient cause exists.

Scores recorded while bowling out count in deciding the game and bowler's average, and qualify for USBC awards and league awards.

**NOTE:** A player bowling out should do so while the others continue to bowl. The player should bowl on each lane immediately after the previous bowler completes the frame, so that the progress of the game is not delayed.

## **Rule 107 – Team Composition**

### **107a. Competition Limited to One Team**

---

Under no conditions may a player bowl on more than one team in the same scheduled game. In addition, a player may not compete on more than one team in the same league for each of the regularly scheduled games in a series, unless otherwise provided by league rule.

**NOTE:** Once a player records scores, whether prebowed, post bowled or at the regularly scheduled time, the player's eligibility for that series has been exhausted. The posted scores must be utilized in figuring team and individual standings, unless declared null and void by the league board of directors.

### **107b. Transferring Team Membership**

---

Unless otherwise provided by league rule, a bowler listed on a team's roster and whose scores have counted, may transfer to another team in the league during the season provided:

1. **Adult leagues:** Two-thirds of the league's team captains agree to the transfer.  
This provision does not apply to USBC closed leagues, or to any league which adopts its own rule to govern transfers.
2. **Youth leagues:** The league official/supervisor consents to the transfer.

### **107c. Substitutes and/or Replacements**

---

A substitute is a bowler who replaces another who is scheduled to participate in a USBC league, or bowls for a team with an incomplete roster.

The following shall apply to substitutes and/or replacements:

1. Scores bowled by a substitute shall count for the games bowled.
2. A substitute must be a member of USBC, a state association and a local association, where required.
3. A substitute may bowl with any team in the league, but may not compete on more than one team in the same league for any regularly scheduled games each week, unless otherwise provided by league rule. (See Rule 107a.)
4. The average of a substitute shall be kept. Should a substitute later be added to a team's roster, his/her average shall be continued.
5. Scores bowled through the efforts of more than one individual player shall not qualify for league or USBC individual awards. (See Rule 118a for average information.)
6. In mixed leagues, a substitute or replacement may be of either gender, unless otherwise provided by league rules.
7. A player removed from a game cannot return to bowl in the same game.
8. Substitutes are not entitled to attend league meetings.

9. A team must be allowed to add a replacement when its roster is less than the playing strength of the league.
10. Unless otherwise provided by league rules:
  - a. Substitutes are not required to pay league fees.
  - b. A captain may replace any player at any time during a game with another eligible player.
  - c. When substitutes are made during a game, the score counts only for team score.
  - d. A team using a substitute is eligible for all high team prizes.

**NOTE:** When a substitution is made during a game in a handicap league, each player receives 1/10 of his/her single game handicap for each frame bowled. For example, an original player with a single game handicap of 19 pins completes six frames and a substitute with a single game handicap of 22 pins completes the remaining four frames:

Original player  $1/10$  of 19 = 1.9 pins x 6 frames = 11.4 or 11 pins. Substitute player  $1/10$  of 22 = 2.2 pins x 4 frames = 8.8 pins or 8 pins.

The fraction is dropped from each individual's handicap, not from each frame.

In leagues using the team method of handicapping, the same procedure is used. Determine the team handicap with the original player and with the substitute in the lineup. Then apply the handicap based on the number of frames completed by each player.

### Youth leagues:

11. Leagues may allow substitutes present and not needed on a team to bowl for average and USBC awards.

**107c/1 In my league, there are five members on each team, we would like to carry six members so we can rotate each week. We were told that another bowler would be considered a substitute. Can we add another member who bowls only for us and is a full-fledged member?**

Rule 100a, Item 1(b) indicates the league decides the team playing strength, but each team is allowed to determine if there will be additional members, unless league rules limit the roster. If your league did not adopt a rule limiting each team to five members, additional member(s) could be added to the team roster.

**107c/2 May a substitute bowl one game with one team and bowl the remaining two games with another team?**

If a league did not adopt a rule to allow a substitute to bowl with more than one team in a match, a substitute cannot compete on more than one team in the same scheduled match. For example, a substitute could not bowl with a team at the regularly scheduled time and then again with another team that may have been granted permission to postpone that match.

**107c/3 Our team has six members on its roster, but only five members bowl each week. Can the additional member on our roster bowl with another team on league night?**

Yes, additional roster members may bowl with other teams as substitutes when they are not scheduled to bowl with their team, unless league rules state otherwise or the league has a past precedent of not allowing these substitutions. If there is a question on the past precedent of the league, the league board of directors must meet and make a decision by majority vote.

**107c/4 May a league adopt a rule stating no new members be allowed for the last few weeks of the season, the position round or for the playoff?**

Yes, however, according to Rule 107c, Item 9, a team must be allowed to add players when its roster is less than the playing strength of the league. For example, if the playing strength is five, teams must be allowed to have at least five members. A rule limiting additions or replacements to a team after a certain date may not be enforced if the team does not have the full playing strength on the roster. After the playing strength is reached, the league rule should be enforced, and a team is not allowed to add members to the team.

**107d. Pacers**

A pacer is a bowler who fills in to balance the rotation of the teams. The following shall apply to all pacers:

1. Scores bowled do not count towards team totals nor are they included in the average records.
2. Pacers are allowed, unless otherwise provided by league rule.
3. Pacers who are USBC members are eligible for all USBC individual awards.

**Rule 108 - Failure to Complete Game**

**108a. With Cause**

When a player is unable to complete a game because of disability, injury or emergency, and another eligible player is not available, the team shall count the actual score for the frames bowled plus one-tenth of the league's absentee score for each frame missed. (See Rule 118a for average information.)

**NOTE:** For computing score: Take actual score for frames bowled; credit 10 pins for a strike or spare in last frame bowled. Add 1/10 of league's absentee score for each of the remaining frames. For example, if absentee score is bowler's average less 10: Absentee score, 145; 1/10 of 145 = 14.5 X 3 frames = 43.5. Drop fraction and add 43 to actual score for 7 frames bowled. The fraction is dropped after the total amount is figured, and not from each frame.

**108a/1 When a team member must leave during a game due to injury, how is the remainder of their game scored? What if they must leave in the middle of a frame after making only their first delivery?**

Rule 108a provides that if a team member is unable to complete a game due to disability, injury or emergency and another team member is not available, the team shall count the actual score for the frames bowled plus one-tenth of the league's absentee score for each of the remaining frames in the game.

When a team member only makes their first delivery in a frame and is unable to complete the game, they can only be credited with the number of pins knocked down on that delivery for the frame. The team member gets credit for all completed and partial frames bowled plus one-tenth of their absentee score for additional frames missed.

### **108a/2 If a player has to leave any game because of an emergency and the team loses its legal lineup, is the team required to forfeit?**

No. Rule 109b does not require a team to forfeit if it loses its legal lineup during a game. The team could finish the game using one-tenth of the bowler's absentee score for the frames not completed.

If the team could not field a legal lineup for the next game, the team is entitled to an emergency postponement. Rule 109b states, leagues shall grant postponements for emergencies when a team fails to appear due to reasons beyond its control. The same would apply when a team loses its legal lineup during a series.

### **108b. Without Cause**

---

When a player does not complete a game for reasons other than disability, injury or emergency, the player's team shall count zero for each remaining frame in the game. (See Rule 118a for average information.)

If there is any doubt of a player's reason for not being able to continue a game, the league board of directors shall decide. A player who leaves a game without cause cannot return to bowl in the same game.

### **108b/1 After missing a spare in the fifth frame of the second game, the player gets upset and stops bowling. How do you score the bowlers second and third game?**

The team is credited with the actual score for the first five frames bowled and zero for each remaining frames in the second game. For the third game, the team uses the player's absentee score. In calculating the bowler's average, only the first game is included in the bowler's average record.

### **108c. Missed Frames**

---

A player who starts a game and then misses frames due to an emergency may return to bowl before completion of the same game and make up the frames missed, unless the league rules:

1. Require a player to enter the game at the frame being bowled by the team.
2. Do not allow a player to return to bowl.

Rule 108a must be applied for missed frames that are not made up in the same game.

## **Rule 109 - Lineup**

### **109a. Legal Lineup**

---

A minimum legal lineup must be present to complete the first frame of any game of a series unless the league rules state another frame. A frame shall be considered completed when all bowlers present on each team have made his/her last deliveries in that frame. The following also shall apply:

1. A legal lineup is:
  - a. Three or more eligible players in five-player team leagues, unless league rules state one or more.
  - b. Two or more eligible players in either three- or four-player team leagues, unless league rules state one or more.

- c. One eligible player in two-player team leagues.
2. Substitutes count to determine a legal lineup, unless otherwise provided by league rule.
3. Leagues may include in its rules the number of players from a team's roster who must be present to count toward a legal lineup.

**109a/1 If a league does not adopt a rule designating the number of regular members for a legal lineup, is it acceptable to have just one regular member plus substitutes?**  
Substitutes are considered eligible players for a minimum legal lineup unless the league adopts a rule requiring a specific number of regular members to be present. If such a rule is not adopted, any number of substitutes could count toward a legal lineup.

**109a/2 Can a league adopt a rule stating a legal lineup must be present at the start of a game or at a designated time?**  
A team has until the completion of the first frame, or a select frame other than the first, to field a legal lineup. Therefore, it is not permissible to require a team to have a legal lineup present at the start of a game or at a designated time.

**109a/3 When a league allows for individual prebowls, do the scores count toward the legal lineup requirement?**  
Yes the scores count towards the legal lineup requirement unless the league rules require a legal lineup present at the regular league session.

### **109b. Lack of Legal Lineup**

---

When one or both teams scheduled against each other fail to present a minimum legal lineup and a postponement was not requested, the game(s) is (are) forfeited unless an emergency existed. The postponement committee or board of directors shall decide whether an emergency existed and, if so, the match shall be rescheduled under the postponement rules. Decisions made by the postponement committee can be appealed to the league board of directors.

### **109c. Tardy Players**

---

Unless otherwise provided by league rule, a player who arrives late may be permitted to bowl after a game has started under these conditions:

1. The player shall begin play, with the score to count, beginning with the frame then being bowled by the team.
2. The player shall receive one-tenth of the absentee score for each frame not bowled.
3. Partial games shall not be used in determining a bowler's average, unless league rules require the secretary to maintain averages based on the actual frames bowled by each player.

**109c/1 If a legal lineup is not present by the end of the first frame but a tardy player arrives before the designated tardy player frame, can the late bowler make up missed frames to avoid a team forfeit?**  
No, a league rule setting a specific frame for tardy players is separate from the legal lineup rule. First, a team must have enough eligible players present for a legal lineup. Tardy players

could enter the game if they arrived before completion of the designated tardy frame, but the game would still be forfeited.

However, games two and three would not be forfeited since the team would have a legal lineup present.

## **Rule 110 - Forfeits**

### **110a. League Fee Arreages**

---

A league can adopt a rule to declare games forfeited if participants in a team's lineup are not current in league fee payments.

A league that does not adopt a rule is responsible for any loss incurred by such arreages.

**NOTE:** A team cannot be required to forfeit if fees are not paid for an absent member or a vacancy.

#### **110a/1 Our league rule states members cannot be more than a week behind in paying their league fees. If any member comes the second week in a row and can't pay, can a league officer tell them they can't bowl?**

Yes. If more leagues had such a rule and enforced it, there would be fewer instances of nonpayment of league fees and fewer suspended members. Just be sure to explain this rule to every member. You may have a few disgruntled members early in the season, but the word will spread that the league is serious about everyone keeping their fees current. A league should not allow debts to accumulate for more than two weeks without taking action.

### **110b. Refusal to Bowl**

---

A team that refuses to bowl with less than a full lineup forfeits any games it declines to bowl.

### **110c. Procedure for Bowling**

---

When a team is bowling in a known forfeit situation, the following procedures shall apply:

1. The forfeiting team is not to receive any point(s).
2. Unless the league rules have stated another number, to earn the point(s):
  - a. An individual must bowl at least his/her average less ten (10) pins.
  - b. Teams must bowl at least the team average less ten (10) pins per player.
3. Points not won by the individual and/or team for failing to bowl the prescribed score should be recorded on the standing sheet as "unearned" points.
4. The following applies to players on the forfeiting team:
  - a. Those who are present may bowl, but the scores shall not be included in the team's total pins.
  - b. Scores bowled in accordance with this procedure shall be counted toward averages and qualify for league prizes, unless the league rules state otherwise.
  - c. Scores shall qualify for USBC awards.

**NOTE:** When leagues include series totals in points won and a team forfeits one or more games in a series, that team shall receive a zero for the games it forfeits in deciding the winner of the series point.

When a league determines position standings on a percentage basis, the percentage is calculated by dividing the number of points won by the total number of points available to the team. (The total number of points available includes points won, lost and unearned through forfeit situations.)

**110c/1 What is a known forfeit?**

The team bowls knowing the opposing team is not eligible to receive any points due to an apparent rule violation. For example, an opposing team lacks a legal lineup or the opposing team is over the average cap. To promote a competitive atmosphere, the non-forfeiting team must earn the points.

**110c/2 What is an unknown forfeit?**

The team bowls unaware that a forfeit will be declared. For example, it was found out immediately after bowling the opposing team used an ineligible player. The forfeiture would have to be acted upon within the specified timelines of Rule 119. The forfeiting team does not receive any points and the non-forfeiting team is automatically credited with all of the points.

**110c/3 If a team does not show up and a postponement was not requested, does the team present get all the points?**

In instances where the reason for absence is unknown, the team present must earn the points and should be advised that the absence may be due to an emergency.

A league officer should call the captain to determine whether something unforeseen occurred. If an emergency exists, advise the absent team they have the right to request an emergency postponement within the time constraints of Rule 119. See Rule 111c for information on emergency postponements.

**110c/4 When a team loses a game by forfeit, how do you determine who wins the point for total pins?**

When a team forfeits a game, the team score for that game is zero. Add zero to the scores bowled in the other games in the series and compare that total to the opposing team's series total.

**110c/5 A team meets the prescribed score (team average less ten pins per player) in a known forfeit situation. Do they split the point?**

No. When a team meets the prescribed score, the point(s) is (are) earned. There are no ties in this situation.

**110c/6 If a team has to forfeit because an ineligible player is used, what happens to the scores bowled?**

An ineligible player's score becomes zero, and the game(s) is (are) not included in their average. The team's score for the forfeited game(s) is (are) also zero. However, the scores bowled by the eligible players are counted toward their averages and any individual prizes.

**110c/7 In our league, we figure team and individual averages after bowling three games. On the first night, if a team is bowling in a forfeit situation, how would you determine whether the team “earned” points for the three games since averages are not established until the series completion?**

The team would have to wait until the end of the series to figure individual and team averages. After the team average is computed, deduct 10 pins per player to determine the score the team had to bowl, or exceed, to be credited with “earned” points. If the team does not earn points, they are listed on the standing sheet as “unearned.”

## **Rule 111 - Prebowl/Postponements**

### **111a. Types**

---

Types of prebowl and postponements:

1. Bowling in direct opposition.
2. Team unopposed bowling: permitted, unless the league adopts a rule prohibiting this type of competition.
3. Individual unopposed bowling:
  - a. **Adult leagues:** Prohibited, unless the league rules state otherwise.
  - b. **Youth Leagues:** Permitted, unless the league rules state otherwise.

### **111b. Reason**

---

A league cannot adopt a rule that would have the effect of not permitting any prebowl/ postponements. The league must grant a prebowl/postponement when the team is unable to field a legal lineup for the following reasons:

1. Some of its bowlers are participating in the USBC Championships, state or local association championship tournaments or attending an annual meeting.
2. There is sufficient cause.
3. An emergency situation.

### **111b/1 What is considered sufficient cause for an emergency postponement?**

An emergency is defined as an unforeseen combination of circumstances, making it impossible for a team to field a legal lineup. The reasons for not being able to bowl would not have to be catastrophic; just beyond the control of the team members.

Although each reason by itself might not be considered an emergency, the combination of circumstances happening at the same time is considered an emergency. For example, if a five-person team knew a player was to be out of town and thought they could field a legal lineup, but prior to bowling, another bowler fell ill and the next had to work late, the team could request an emergency postponement.

### **111b/2 After a bad storm, all but two teams were able to field legal lineups. Are these two teams entitled to emergency postponements when all the other teams in the league were able to get to the lanes?**

Yes, weather conditions which prevent a team from fielding a legal lineup are classified as emergencies. Leagues must grant postponements for emergencies when a team fails to appear

for its scheduled match due to reasons beyond its control. Adverse weather conditions are sufficient reason to grant a postponement without advance notice.

Members must realize all bowlers do not face the same driving conditions or circumstances, so the ability of an individual to drive under adverse conditions cannot be used as a basis for declaring games forfeited.

### **111c. Request**

---

Games must be bowled as scheduled. A request must be made prior to the scheduled time, except for emergencies, and approval is granted.

#### **111c/1 What happens when a team cannot field a legal lineup or does not appear and no prebowl or postponement is requested?**

A forfeit is issued. However, the forfeiting team has up to 15 days to protest the forfeiture and request an emergency postponement according to Rule 119. If the scheduled games are within the final two weeks of the schedule, the team must protest and request an emergency postponement within 72 hours of the final date of that schedule.

### **111d. Granting**

---

Prebowl/Postponement requests are reviewed and decided by:

1. **Adult leagues:** A committee appointed for this purpose or the board of directors.
2. **Youth leagues:** The league supervisor unless the authority is given to the league official or a committee appointed for this purpose.

Decisions made by the committee or league supervisor/official may be appealed to the board of directors under the provisions of Rule 119. (See Rule 119 for further appeal procedures.)

#### **111d/1 Who has the authority to call off bowling for the entire league because of bad weather?**

While there is no specific rule giving the authority to cancel bowling because of inclement weather, decisions made by league officers have been consistently upheld. The officers should be acting in the league's best interest.

To be assured they are making the correct decision to cancel bowling, the officers should conduct a telephone poll of board members. If a majority vote supporting the decision is obtained, it is in line with Rules 103b and 111d, Item 1, which authorize the board to decide on postponements.

### **111e. Procedure**

---

Following is the procedure to be used for prebowling or postponements:

1. When teams are bowling in direct opposition, the captains of the teams involved shall agree to a date for bowling the prebowl/postponed match. If within one week from the date originally scheduled, the captains cannot agree on a date, the league secretary shall set a date and notify both team captains of the date and time. This notification should be given at least three days prior to the date.

2. The league secretary or designated representative shall notify the bowling center of the change in schedule and arrange to have a pair of lanes available.
3. Games must be bowled under the same regulations and rules governing league play.
4. Handicap is figured as of the date/time the games are bowled. All games bowled prior to the prebowed or postponed match shall be included in determining handicap.
5. Prebowed or postponed games shall be included in the average record as of the date bowled.
6. Games can be made up on any certified pair of lanes.
7. Scores qualify for league awards, unless otherwise provided by league rule.
8. Unopposed pre or post bowled scores will be eligible for USBC Awards except High Score Awards as designated in Rules 51a, 51b, 51c, 51d, 52a and 52c.

**111e/1 If a team is granted a prebowl or postponement and the opposing team is not notified, are the games forfeited?**

No. When bowling unopposed, the opposing team does not have to be notified (or agree to a date) prior to the time of bowling, unless otherwise provided by league rule. If the league rules are silent regarding team bowling unopposed, the games stand as bowled. As a courtesy, the opposing team should be notified.

If the league adopted a rule requiring notification and the opposing team was not notified, the league board would have the following options:

1. Games stand as bowled.
2. Null and void both team's scores and require both teams to re-bowl in direct opposition.

**111e/2 What average and handicap is used for a prebowl and/or postponement?**

The averages and handicaps as of the date the games are bowled must be used in both postponed and prebowed games. All games bowled prior to the postponed or prebowed games are used to determine average and handicap.

**111e/3 When teams prebowl or post bowl unopposed, can the opposing team see the scores bowled by the team bowling first?**

There is no USBC rule to prevent the opposing team from seeing the scores. When a league allows teams to bowl unopposed, rules can be adopted to govern this situation.

**111e/4 We had an individual/team prebowl because they had to work. Later they found out that they would not have to work on that date so they appeared at the lanes to bowl. Can the league secretary throw out their scores and allow them to bowl?**

No. When an individual or team receives permission from the league and completes their prebowl, they have exhausted their eligibility for that league session. The league board of directors has the authority to declare the prebowed scores null and void only if a rule was violated or due to mitigating circumstances. However, the change in the individual's work schedule does not fall into either of these categories, therefore, the scores would stand.

**111e/5 The league had a team prebowl for a specific league session. The team prebowed and then, due to severe weather, the league cancelled bowling on that date and**

### **resumed the following week. What happens to the prebowed scores?**

If the team prebowed and the league session was subsequently cancelled, USBC recommends the board meet and choose one of the following options:

**Option 1.** The prebowed scores are applied to the rescheduled league session. The team would not be permitted to rebowl that week as their scores have already been recorded and their eligibility exhausted.

**Option 2.** The league board null and voids the prebowed scores and the team is allowed to bowl the rescheduled league session.

### **111f. Time Limit for Bowling**

---

Prebowed/postponed games must be bowled as follows:

1. Prior to the date of scheduled competition for final team standings for the season or each segment of a split season; or
2. Within seven days when the postponement is granted for the last day of a segment (split season leagues); or
3. Within seven days when the postponement is granted for the last day of the schedule.

The foregoing applies to teams bowling in direct opposition. A league may adopt different time frames for individual and/or team unopposed bowling.

The foregoing does not apply when a protest or appeal is pending finalization under Rule 119.

## **Rule 112 - Tie Game**

When a tie occurs, each of the teams shall be credited with one-half the value of the point(s) normally awarded. There shall be no playoff of such ties.

## **Rule 113 - Playoffs/Special Contests**

### **113a. Definition**

---

A playoff is a separate competition conducted to determine league champions and/or break ties in the league standings. Unless league rules allow for co-champions, a playoff must be conducted:

1. To determine the champion when a tie exists for first place at the end of the league schedule.
2. To determine a champion when the league bowls a split season.
3. To determine first place when a tie occurs in any segment of a split season.
4. When the league decides to break a tie for any other position.

Scores bowled which qualify for USBC awards will be recognized.

**NOTE:** Total pins for the season, segment or team average cannot break position standing ties at the conclusion of the season, or at the end of any segment of a split season schedule.

**113a/1 If the league rules state no substitutes will be permitted the final two weeks of the schedule, can a substitute be used in the playoff?**

A playoff is not considered part of the last two weeks of the schedule. If substitutes are permitted during the regular season, they would be acceptable as eligible players unless a league rule specifically states that substitutes are not permitted in the playoff.

**113b. Procedures**

A playoff may not consist of less than one frame, scored like a 10th frame.

1. The following procedures apply, unless the league rules state otherwise:
  - a. Playoffs are conducted under the same rules governing league play during the regular season.
  - b. Handicap is figured as of the date/time the games are bowled. All games bowled prior to the playoff are included in determining handicap.
  - c. When more than two teams are involved in a playoff, total pins from the playoff shall decide the winner.
  - d. If a tie exists at the end of a playoff, each team bowls an additional 10th frame until the tie is broken.
  - e. Games do not count toward individual averages or special league prizes.
2. The league secretary arranges to have lanes available.

**113b/1 What average and handicap are used in a playoff?**

Unless otherwise provided by league rules, the players involved use their average and handicap as of the date the playoff is bowled. For example, if a league bowls a split season, and the playoff for the first half is not bowled until after three weeks into the second half, the average and handicap for the playoff includes all the games already bowled in the second half.

**113b/2 What happens if there is a three-way tie for first place or a trophy position?**

Total pins from the playoff will determine the winner unless otherwise provided in league rules. Four adjoining lanes would be used, starting lanes would be selected by draw, and teams would rotate after each game as follows:

LANE	A	B	C
First Game	Team 3	Team 1	Team 2
Second Game	Team 2	Team 3	Team 1
Third Game	Team 1	Team 2	Team 3

**113b/3 If a tie still exists after a playoff series is completed, how is the tie broken?**

In the absence of a league rule stating otherwise, when a tie still exists at the end of the playoff, each team will bowl an additional frame. This frame is to be bowled by each team on the lane where it bowled the final frame of the last game and is scored like the tenth frame. If the tie is still unbroken, the teams involved alternate lanes for the additional tenth frame needed to break the tie. This frame stands alone to determine the winner and is not added to the previous playoff game total. In a handicap league, one-tenth of the handicap is added to the 10th frame score.

### **113b/4 When there is a tie for the winner of the first half in a split season, when should the playoff be conducted?**

The playoff should be bowled as soon as possible. It is not necessary or recommended that teams wait until the end of the season to break a tie for first place in the first half.

### **113c. Special Contests**

---

A special contest is competition scheduled by the league where the scores do not count towards regular league standings; such as a tournament. The following apply to such competition:

1. Participation must be limited to league members or substitutes.
2. USBC league or tournament rules govern play.
3. Scores bowled which qualify for USBC awards will be recognized.

## **Rule 114 - Withdrawals/Resignations**

### **114a. Procedure for Withdrawing**

---

Members of a league may withdraw from a league during a season.

1. If a team or individual must withdraw, the following procedure is to be followed:
  - a. Two weeks notice must be given along with sufficient cause for resigning.
    - 1) A team shall give notice to the league secretary.
    - 2) A member resigning from a team shall give notice to the captain and the league secretary.
  - b. The resigning member(s) must pay league fees for two weeks if the bowler is not replaced within that period.
2. If proper notice and sufficient cause is not given, all franchise, prize and any other money for which the team or individual may have been eligible will be forfeited, unless the league board determines otherwise. In addition, the member(s) shall be subject to suspension of USBC membership.

### **114b. Procedure for Returning After Withdrawing**

---

A bowler who has resigned may bowl in the same league later that season provided:

1. Proper notice and sufficient cause was given, and the individual bowls on the same team from which the bowler resigned. No vote of the team captains is required; or
2. Two-thirds written consent of the team captains is obtained when the bowler did not give proper notice and sufficient cause, or wants to bowl on a team other than the one the bowler resigned from.

The average of any bowler permitted to return to the league shall be continued.

## **Rule 115 - Disciplinary Procedures**

### **115a. Dismissal of a League Officer or Player**

---

A league member can file a written charge asking for removal of a league officer or dismissal of a player.

1. A player may be dismissed from the league or an officer removed from league office only for any of the following reasons:

- a. Conduct derogatory to the best interest of the league.
- b. Any deliberate action which can be proven to be detrimental to the best interest of the team.
- c. Violation of any USBC or league rule.

A player who continues to pay the league fees cannot be dismissed or replaced because of absence from league play unless one of the foregoing reasons is applicable.

2. If written charges are filed, the following procedures must be followed:
  - a. Within one week after receipt of the written complaint, the league president should schedule a meeting of the league board of directors, and members of the board shall be notified. The meeting should be held at the earliest possible date.
  - b. Written notice and a copy of the complaint shall be provided to the individual(s) charged.  
Such notice:
    - 1) Should be sent by first class mail or be hand delivered.
    - 2) Shall notify the individual of the date, time and place of the meeting, as well as his/her right to attend and offer a defense.
  - c. A roster shall be prepared listing those present and absent. A quorum of the board of directors must be present at the meeting. Minutes of the meeting and all documents and material relating to the charges must be maintained.
  - d. A two-thirds vote of board members present and voting shall be required for dismissal and/or removal from office.
  - e. The individual(s) involved shall be notified in writing of the board's decision and of the right to appeal that decision to the respective USBC local association, or to USBC Headquarters. An appeal under this rule must be filed in accordance with Rule 119.
3. A player dismissed from the league:
  - a. Forfeits all franchise, prize and any other money for which they may have been eligible, unless the league board determines otherwise.
  - b. May rejoin the league with the written consent of two-thirds of the full membership of the board. If permitted to rejoin, the average shall be continued.

**NOTE:** Leagues have the authority to act on verbal complaints.

### **115b. Nonpayment of Fees and/or Improper Withdrawal**

In Youth leagues that do not have a board of directors, the league supervisor/official is responsible for the duties of the board.

When a league member is accused of failing to pay league fees and/or withdrawing without sufficient cause, the league must try to resolve the matter. If the matter is not resolved, the following procedure shall apply:

1. A complaint shall be submitted, in writing, to a league officer or supervisor/official. Upon receipt of a written complaint, the league proceeds as follows:
  - a. Within one week after receipt, the president/supervisor should schedule a meeting of the league board of directors, and the board shall be notified. The meeting should be held at the earliest possible date.

- b. Provides written notice and a copy of the complaint to the individual(s) charged. Such notice:
  - 1) Should be sent by first class mail or be hand delivered.
  - 2) Shall notify the individual of the date, time and place of the meeting, as well as his/her right to attend and offer a defense. If the accused is a youth member, the parent or guardian also must be invited to the meeting. (A sample letter can be found on BOWL.com.)
- c. Prepares a roster listing those present and absent. A quorum of the board of directors must be present at the meeting.
- d. Maintains minutes of the meeting and all documents relating to the charges. The minutes shall include:
  - 1) An accounting of arrearages, including dates and amounts. The bowler may not be charged for more than six (6) sessions.
  - 2) Whether the accused was present or absent when the arrearage occurred.
  - 3) The date of replacement (if applicable).
- e. Votes to determine if the accused is guilty. A two-thirds vote of the board members present and voting shall be required. After voting:
  - 1) If found not guilty (two-thirds vote not achieved), the charges are dismissed.
  - 2) If found guilty, the local association or USBC Headquarters is to be furnished with a copy of Items a-g indicated below and should be submitted within 30 days after the league meeting. (A checklist can be found on BOWL.com.)
    - a) The meeting notices.
    - b) The meeting minutes.
    - c) List of board members, officers and team captains present or absent.
    - d) The vote count for the recommendation of the league board.
    - e) Amount charged to defendant(s) and all supporting documents and material. (See Rule 115b, Item 1-d)
    - f) Exact date(s) each defendant is being charged for. The bowler may not be charged for more than six sessions.
    - g) The league rules.
2. Upon receipt of the file, the local association manager shall verify that complete information was provided and submit a copy of the file to USBC Headquarters.

**115b/1 A 14- year old boy quit my son’s team owing fees for several weeks. Now he has joined a league in another center. Can anything be done to prevent such incidents?**

As the boy is not an adult, he cannot be forced to repay the money; however, he can be suspended for nonpayment of league fees, which violates Rule 17b-3. If the league cannot collect the money, the procedures as outlined in Rule 115b must be followed.

**115c. Limited Removals (Youth Leagues)**

The following applies to youth leagues only:

1. The removal processes only applies to leagues under the supervision of the league supervisor or official and does not restrict the member from participation in other USBC leagues or tournaments.

2. The league supervisor or league official may impose the following penalties for rule violations and/or improper conduct:
  - a. Limited removal of not more than three league sessions.
  - b. Permanent removal.
3. A youth has the right to appeal any removal from league competition.
  - a. The appeal must be filed in writing with the local association or USBC Headquarters within:
    - 1) 48 hours of a limited removal.
    - 2) 15 days from the date of permanent removal.
  - b. A removal from one to three league session(s) is held in abeyance until a decision is made by USBC.
  - c. The local association should forward appeals they receive to USBC Headquarters within seven days of receipt.

## **Rule 116 - Scores**

### **116a. Scoring Process**

---

In league play:

1. Scores must be recorded on a score sheet in plain view of opposing players.
2. Every frame bowled by each player shall be recorded.
3. Each team shall record the scores of each game in a score book kept by the team captain or someone appointed by the captain for this purpose.
4. The score sheet is the official record, and the team score books must agree with the score sheet at the end of each game.
5. After the score books are verified and signed by the opposing team captains, they are the league's official record for the season.
6. Errors in scoring or calculation must be corrected by a league officer immediately upon discovery. Any questionable errors in scoring or calculation shall be decided by the league board.

### **116b. Scores Lost**

---

When game(s) or frame(s) within a game are irretrievably lost in the scoring process, the following procedures shall apply:

1. Scores that can be documented or agreed upon by the opposing team captains stand and the game shall resume from the point of interruption in regular order.
2. Scores that can not be documented or agreed upon by the opposing team captains shall be rebowled, unless the board of directors rules them null and void.

**116b/1 We use automatic scoring machines, and one night a team's scores were accidentally erased in the eighth frame of the first game. A printout was not available, so the league secretary allowed the team to reconstruct the scores. Was this procedure correct?**

If the teams in question are able to agree, the scores could be reconstructed and, if necessary, the games continued from the point of interruption. If the official record is mutilated, lost, defaced, or the captains cannot agree on the scores, USBC holds games in question should be rebowled.

## Rule 117 - Prizes

### 117a. Prize List

---

The prize committee shall submit one or more prize lists for consideration within five weeks after the start of the season. The prize list shall:

1. Comply with any rules that have been adopted by the league.
2. Be approved by the board of directors unless the league rules provide for its adoption by the membership. After approval, the prize list may be changed only with the written consent of every team captain or designated representative.

#### 117a/1 What voting procedures are used when the prize committee submits multiple prize lists?

The league's prize list must be adopted by a majority of those present and voting. Therefore, if three or more prize lists are considered and none of the prize lists submitted receives a majority vote, the league board of directors should approve one of the following options:

1. The prize list receiving the lowest vote total is dropped and the remaining prize lists are voted upon. Until one prize list receives a majority vote, the prize list receiving the lowest vote would continue to be dropped.
2. All prize lists with the exception of the two receiving the most votes are dropped and another vote is taken. The prize list adopted is decided by a majority vote.

### 117b. Qualification

---

The following procedure applies to prize distribution:

1. Team: Team prizes shall be distributed according to verbal or written agreements.
  - a. If there is a dispute on the division of team prizes, it shall be decided by the board of directors.
  - b. No team can win more than one prize in any group of prizes, unless otherwise provided by league rule.
2. Individual: To qualify for individual league prizes, a player must bowl the required number of games.
  - a. The following provisions also apply, unless otherwise provided by league rules.
    - 1) A member shall have bowled at least two-thirds of the games of the league schedule.
    - 2) If a substitute later becomes a regular member, the games bowled as a substitute shall be included in the required number of games. (This does not apply to the league high average award.)
    - 3) Scores bowled as a substitute shall not qualify for individual league prizes.
    - 4) No individual can win more than one prize in any group of prizes.
  - b. If a bowler has competed in two-thirds of the league schedule or the number of required games, and cannot be a member at the end of the season because of physical disability or other reasons beyond his/her control, the board of directors shall decide his/her eligibility for individual prizes.
  - c. A member who withdraws during the season without proper notice and sufficient cause or is dismissed or suspended, shall forfeit any money paid into the league, unless the league board determines otherwise.

3. Handicap Leagues: All special prizes for team and/or individual high series or high game shall be awarded on a handicap basis, unless otherwise adopted by the league.

**NOTE:** The following are considered groups of prizes: 1st, 2nd, 3rd high individual scratch game; 1st, 2nd, 3rd high individual handicap game; 1st, 2nd, 3rd high individual scratch series; and 1st, 2nd, 3rd high individual handicap series. The same groups apply to team awards.

Since scratch and handicap scores are considered separate groups, a team or individual would be eligible for both scratch and handicap prizes, unless the league rules otherwise. If a league rule limits teams or individuals to one award, the rule should also state which prize a member or team will win if a score qualifies for more than one.

## **Rule 118 - Averages**

### **118a. How Determined**

---

A bowling average is determined by dividing the total number of pins credited to a bowler in one USBC league by the number of games bowled in that league in a season.

Extra pins or fractions must be disregarded in using averages for handicapping or classification purposes and shall be reduced to a percentage of a pin only for the purpose of deciding individual position standings in a league.

Partial games and games bowled through the efforts of more than one player cannot be used in determining a bowler's average, unless league rules require the secretary to maintain averages based on the actual frames bowled by each player.

### **118b. How Established**

---

Each league shall adopt a rule to determine the number of games required to establish an average in that league. The following applies when establishing an average:

1. A right-handed bowler must always bowl right-handed. Similarly, a left-handed bowler must always bowl left-handed. **Penalty:** Forfeiture of game.
2. No combination of scores bowled both right- and left-handed can be used to compute an average, except as stipulated in Rule 4c.
3. The league board of directors may, by majority vote, adjust a player's average before the player bowls in the league or during the season due to injury or disability. Separate averages must be maintained.

#### **Youth leagues:**

4. A bowler using a two-handed delivery will establish an average with two hands. When the bowler changes to a one-handed delivery, they must establish a new average using that hand.

**118b/1 If a bowler uses his/her opposite hand to make a delivery during a game, what happens?**

If an individual does not have permission from the league board of directors, a league officer or the league board would then have the following options within the timelines as stated in Rule 119.

- **Declare the individual's game forfeited:** The bowler would receive zero for the game. (Note: Scores bowled by the other team members not in violation stand as bowled.)
- **Declare the team's game forfeited:** The team would receive zero for the game. (Note: The individual in violation would receive zero. However, scores bowled by the other team members counts toward their individual averages and league awards unless the league rules state otherwise.)

**118b/2 A bowler decides to throw at a spare by delivering the bowling ball between his/her legs. Would this be considered a change in delivery and a violation of Rule 118b?**

The bowler has changed or deviated from their normal delivery which is a violation of Rule 118b. This rule provides a penalty of forfeiture of the individual's/team's game in which this action occurred.

**118b/3 A bowler is using the two-handed approach styles with his dominate hand being his right. Can he pick up his ten pins using only his right hand?**

Yes, since both deliveries are with the same dominant hand, the bowler did not change his delivery and therefore, is not in violation of any USBC rules.

**118b/4 A player started league bowling right handed, but later decided to use a two-handed approach. Is this a change of delivery and in violation of Rule 118b?**

No, as long as all deliveries are made with the right hand, this would not be a violation of Rule 118b.

### **118c. League Entering Average**

---

Entering averages are determined by league rules. A bowler who does not have an entering average or until they meet the requirement(s) defined by league rule(s), average is determined by dividing the total number of pins by the total number of games bowled the first league session. (See Rule 100g for handicap.) When a bowler fails to complete his/her first game in order to establish an average, the frames bowled will be declared null and void and a vacancy score used.

**NOTE:** The following are options for entering averages:

- **Highest Average** – The highest average in any USBC league in which a player competes in one season.
- **Composite Average** – The average of a bowler who bowls in two or more USBC leagues in a season. The average is determined by adding the total pins for all of the leagues and dividing the result by the total number of games bowled in those leagues.

**NOTE:** If a bowler is unable to finish a game after at least one complete game has been bowled, the provisions of Rule 108a or 108b must be followed using the average established for the complete game.

**118c/1 The league rule requires three games be bowled to establish an average. A member bowls a 120 for game one and a 150 for game two and cannot bowl game three. What score is used for the missed game? How are average and handicap figured?**

In a handicap league, if a bowler does not have an entering average or until they meet the requirement(s) defined by league rule, handicap is based on the average of all games bowled.

In the example given, the score for game three would be calculated by adding games 1 and 2 together ( $120 + 150 = 270$  actual pinfall), then dividing by total games bowled ( $270 \div 2 = 135$  average). This will give you the bowler's average which is used for handicapping purposes. To determine the absentee score for game three, the bowler would use the established average less ten pins ( $135 - 10 = 125$  absentee score) unless league rules state otherwise.

### **118d. League Entering Average Cap**

---

When a league institutes a team/individual cap, the league will use the entering averages to determine the cap. The following shall also apply:

1. The team shall not have a combined entering average that exceeds the league cap rule, unless otherwise provided by league rule.
2. If a member on a team is replaced or a substitute is used, the combined entering average of those players will constitute the team average for the purposes of meeting the league cap.

**118d/1 The league has a rule stating teams may not exceed the 900 average cap at any time during the season. A team needs a substitute or a replacement during the season. Do the team members use their current average or entering average to determine compliance with the league average cap?**

Entering averages must be used to determine compliance with the league cap. When a member on a team is replaced or a substitute is used, the combined entering averages of those players will constitute the team average for the purpose of meeting the league average cap.

**118d/2 The playing strength of the league is four; our team has six players on the roster. One of the four players scheduled to bowl could not make it. The entering average of the absent player with the most games puts the team over the league cap. What should the captain do?**

According to Rule 104a, Item 1, it is the team captain's responsibility to ensure the eligibility of the team. Therefore, the captain must change players to meet the cap. If it is not possible to meet the cap, a postponement should be requested.

### **118e. Establish New Average due to Change in Delivery**

If because of injury or disability a bowler finds it necessary to change delivery from right- to left-handed or vice-versa, the league board of directors, by majority vote, may permit the bowler to change delivery. If approval is obtained, the bowler must establish a new average.

#### **118e/1 May a bowler switch his/her delivery after the start of the season due to injury?**

Yes. However, the bowler is required to obtain permission from the league board of directors. If the bowler were later able to return to their original hand delivery, permission would again have to be obtained from the board. No combination of scores bowled both right- and left-handed can be used in computing an average. Therefore, two separate averages would have to be maintained. A bowler who switches without permission forfeits those games.

## **Rule 119 - Protest/Appeal Procedures**

The league board of directors shall first decide on all protests as stated in Rule 103b. Protests are decided by the league official/supervisor in Youth leagues that do not have a board.

#### **a. Protests:**

1. Written protests are filed with a league officer and shall be filed within 15 days of the series being bowled except:
  - a) A protest resulting from competition in the final two weeks of a league schedule shall be filed within 72 hours of the final date of the league schedule or the end of a segment if the league bowls a split season.
  - b) A protest involving league playoff games shall be filed within 72 hours.
2. Unless a protest is confirmed in writing, the series or decision stands.
3. The board's decision shall stand, unless a timely written appeal is filed with the local association or USBC Headquarters. The local association's decision can be appealed to USBC Headquarters.

**NOTE:** League protests received by local associations or USBC Headquarters that have not initially been decided by the league board of directors will be returned to the league for a decision.

#### **b. Appeals shall be filed in writing within:**

1. 15 days of notification during the regular schedule.
2. 72 hours when notification occurs:
  - a) In the final two weeks of the league schedule.
  - b) At the end of a segment if the league bowls a split season.
  - c) After the league schedule has ended.
  - d) As a result of playoff competition.

Prizes for positions involved cannot be distributed until the protest or appeal is resolved.

**NOTE:** A copy of the appeal should be filed with a league officer.

**119/1 Does the board have to make a decision on a verbal protest?**

No, however the president may call a meeting to address a verbal protest. USBC Rule 119 requires the board to act on all written protests filed within specific timelines. Guidelines on how to file a proper protest, can be found on BOWL.com.

**Rule 120 – Position Matches**

A rule may be adopted to include position matches in the schedule subject to the following:

- a. Teams shall be paired according to its league position standings and games bowled count as won and lost.
- b. Ties for position pairings shall be determined by total pinfall without handicap, unless otherwise provided by league rule.

**120/1 If teams bowl against the wrong opponents during the position round or regular schedule, can the games be bowled over, or can the scores be compared with the proper opponents?**

USBC holds the games stand as bowled and are entered in the record for games won or lost as well as for individual averages. The league continues with the regular schedule after discovering the error.

Comparing scores with the proper opponents changes the competitive circumstances under which the match was bowled.

**120/2 The league bowls a position round the last week and after bowling, there is a tie for first place. Do the teams involved bowl another complete 10th frame to determine the champion?**

No. According to Rule 113a, a playoff would be bowled to determine the champion. In accordance with Rule 113b, Item 1(a), if the league does not have rules to govern the playoff, it would be conducted under the same rules that apply during the regular season. For instance, if the league bowls three games each session using the seven-point system (two points awarded for each game, plus one point for total pins), the playoff would consist of three games using the seven-point system. Another complete 10th frame is bowled only if a tie still exists at the end of the playoff.

**120/3 How are lanes assigned for position matches?**

There are several possibilities, and a league can adopt the format its members prefer. The most common method is to schedule the first and second place teams on the first pair of lanes; the third and fourth place teams on the next pair, etc. Another possibility is to have one team captain for each match draw for a pair of lanes.

The only basic requirement is teams be scheduled against opponents according to league standings. If the league does not have a rule on assigning lanes, the board makes the decision. (See Rule 103b.)

**120/4 Can a substitute be used in a position round or a playoff?**

Yes, a substitute may be used provided the league has not adopted a rule stating otherwise.

## Rule 121 - League Fees

League fees consist of the total paid for bowling, the prize fund and any other amount voted by the league.

All league fees, including any entry or sponsor fee, shall be decided by the league.

**Youth leagues:** When an awards fee is collected as part of the league fees, it must be returned 100 percent to the league members in the form of trophies or other acceptable awards.

**NOTE:** Failure to pay league fees could result in suspension of USBC membership. (See Rule 115b.)

## Rule 122 - Meetings

League meetings are conducted under the following requirements:

- a. The secretary shall notify the members or team captains of all league meetings.
- b. To conduct business, a quorum must be in attendance. In youth leagues, the league supervisor or official must also be in attendance.
- c. Absentee and proxy votes are not acceptable. Only members present are eligible to vote.

Rules shall be adopted at a meeting prior to the start of the league schedule by the board of directors, unless the league elects to have its rules adopted by the membership. After the league schedule begins, a change in the league rules and approved prize list can be made only with the written consent of every team captain or designated representative.

(For more information on conducting meetings, see the *League Operations Handbook* on BOWL.com.)

### 122/1 If a rule is adopted or changed after the league schedule starts, when does it become effective?

When a league adopts new or changes existing rules, the rule revisions become effective immediately upon adoption and cannot be made retroactive.

# Chapter 5: Sport Bowling

The rules included in this chapter are unique to Sport Bowling, an optional upgrade to standard membership. Sport Bowling is recognized as the highest level of competitive bowling and takes place on more challenging lane patterns designed to emphasize a bowler's consistency and ability to deal with changing lane conditions. To be officially recognized, a USBC Sport Bowling league or tournament must be registered on the Sport Bowling section of BOWL.com prior to the start of competition.

The following rules for Sport Bowling were approved by USBC in accordance with the authority granted it in *Article 4, Section E of the USBC Bylaws*. In the absence of a rule or specification, the USBC rules and specifications governing standard leagues and tournaments shall be followed for Sport Bowling competition.

For more information and frequently asked questions, see [BOWL.com/sportbowling](http://BOWL.com/sportbowling).

### 202b. Sport to Standard League

A bowler must submit and use his/her adjusted Sport Bowling league average utilizing the USBC Average Adjustment Scale (see Rule 202a) and identify themselves as a Sport Bowler if the:

1. Bowler is entering a standard league; and
2. The league's entering average rule requires the bowler to use the average; and
3. Bowler does not have a standard league average from the same season(s) specified in the league's entering average rule as the Sport Bowling average.

A bowler is required to submit his/her adjusted Sport Bowling league average utilizing the USBC Average Adjustment Scale (see Rule 202a) in leagues that use composite averages for entering and/or handicap purposes.

Nothing in this rule supersedes the league's authority to raise a bowler's adjusted average prior to entering. A bowler's failure to comply with these provisions could result in forfeiture of games bowled.

### **202c. Standard to Sport League**

---

In Sport Bowling leagues, prior to participation, the entering average of a participant with only a standard league average may be adjusted downward by the league board of directors utilizing the USBC Average Adjustment Scale (see Rule 202a). If such an average is adjusted downward, the league board of directors cannot adjust it lower than the corresponding Sport league average listed in the scale.

### **202d. Sport to Standard Tournament**

---

A bowler must submit and use his/her adjusted Sport Bowling league average utilizing the USBC Average Adjustment Scale (see Rule 202a) and identify themselves as a Sport Bowler if the:

1. Bowler is participating in a standard tournament; and
2. Tournament's entering average rule requires the bowler to use the average; and
3. Bowler does not have a standard league average from the same season(s) specified in the tournament's entering average rule as the Sport Bowling average.

A bowler is required to submit his/her adjusted Sport Bowling league average utilizing the USBC Average Adjustment Scale (see Rule 202a) in tournaments that use composite averages for entering and/or handicap purposes.

Compliance with Rule 319a, Item 2 and Rule 319e will be determined based on the bowler's adjusted Sport Bowling league average using the USBC Average Adjustment Scale (see Rule 202a) or his/her standard league average, whichever applies.

Nothing in this rule supersedes tournament management's authority to raise a bowler's adjusted average prior to bowling. A bowler's failure to comply with these provisions could result in disqualification.

### **202e. Standard to Sport Tournament**

---

In Sport Bowling tournaments, prior to participation, the entering average of a participant with only a standard league average may be adjusted downward by tournament management utilizing the USBC Average Adjustment Scale (see Rule 202a). If such an average is adjusted downward, tournament management cannot adjust it lower than the corresponding Sport league average listed in the scale.

## **Rule 203 - Lane Dressing/Lane Dressing Inspections**

Each league or tournament is responsible for arranging lane dressing inspections as required by USBC for Sport Bowling leagues and tournaments. Games bowled on conditions not properly inspected or not complying with Sport Bowling lane dressing requirements, are not eligible for Sport Bowling awards and shall

be issued standard USBC awards. (See the *Sport Bowling Technical Manual* in the Sport Bowling section of BOWL.com for details.)

## Rule 204 - Awards

Special enhanced awards will be issued to Sport Bowling members who participate in Sport Bowling competition when the provisions of Rules 203 and 205 have been met, for the following accomplishments:

<u>Series</u>	<u>Game</u>	<u>Average</u>	
900*	300*, 299*	215 and greater, Adult Male	(21 games)
800 to 899*	75 pins over average	195 and greater, Adult Female	(21 games)
Clean Series	11 strikes in a row, in a game of 298 or less*	200 and greater, Youth Male	(21 games)
		180 and greater, Youth Female	(21 games)

*\*Cannot be earned while pre or post bowling unopposed.*

In the application of Rule 53, Sport Bowling averages can only be used when bowling in Sport Bowling competition.

A Sport Bowling member is eligible for one of each of the above awards per season except for the 300 game. (Members receive the Sport Bowling 300 game "Add a Stone" ring for their first Sport 300 game. Diamonds for the ring are issued for each successive 300 Sport game). Standard USBC awards will be issued for all accomplishments not covered above. Scores bowled on non-complying Sport Bowling conditions will be issued standard USBC awards.

### **Sport National High Average\***

1. Each fiscal year, recognition will be given to the USBC male, female, youth male and youth female Sport bowling member having the highest USBC sport average based on 48 or more games bowled as a USBC Sport bowling member in a USBC Sport league.
2. The association is to forward information concerning these members who have attained a qualifying average to USBC Headquarters, Attn. Sport Bowling.
3. To be eligible for recognition, all qualifying averages must be received by USBC Headquarters on or before October 1 of the next fiscal year.

*\*Cannot be earned while pre or post bowling unopposed.*

## Rule 205 - Equipment Restrictions

Equipment designated by USBC as not approved for use in Sport Bowling leagues and tournaments, cannot be used. Games bowled with unapproved Sport Bowling equipment are not eligible for USBC Sport Bowling awards and shall be subject to forfeiture/disqualification.

## Rule 206 – Sport Certified Centers

### 206a. Requirements to Host Sport Bowling

---

To obtain and retain a Sport center certificate to host Sport Bowling competition, the center must:

1. Be USBC certified.
2. Have access to a tape take-up device.
3. Have registered the center online on SportBowling.com.
4. Have an approved Sport Bowling lane dressing inspection on file with USBC Headquarters.
5. Submit graphs and/or tapes every week for every competition.
6. Be in compliance with all USBC certification requirements in addition to all Sport Bowling lane dressing requirements.

(See the *Sport Bowling Technical Manual* in the Sport Bowling section of BOWL.com for details.)

### 206b. Retention of Sport Center Certificates

---

Once a bowling center has demonstrated compliance with the requirements of Rule 206a, a certificate will be issued. The certificate is required for the center to host Sport Bowling competition. USBC retains the authority to withdraw the certificate at its discretion and/or if the center fails to continue to meet the requirements of Rule 206a. When USBC finds noncompliance with any of the requirements, the following will apply:

1. Failure to Submit Tapes/Graphs.
  - a. A league that fails to submit graphs/tapes for two (2) consecutive weeks will be contacted by USBC to determine the problem and assist with a resolution.
  - b. If USBC does not receive tapes for four (4) weeks, a warning letter will be issued providing 14 days to come into compliance.
  - c. After six (6) consecutive weeks of no tapes, the league's Sport certification for that season will be pulled.
2. Noncompliant Sport Conditions.

If a league submits graphs/tapes and are noncompliant:

  - a. 0-15% weeks of the league schedule, the USBC Headquarters will contact the league contact/center to discuss noncompliance and assist with resolution.
  - b. 16-35% weeks of the league schedule, USBC Headquarters will determine the extent of non-compliant issues and, at its discretion, make a decision which could be pulling the Sport Bowling certification of the league.
  - c. 36% or more weeks of the league schedule, the league Sport Bowling certification automatically will be pulled for the remainder of that league schedule.

(See also *USBC Sport Bowling Technical Manual* in the Sport Bowling section of BOWL.com.)

## Rule 207 - Submission of Scores/Prize Winnings

For Sport Bowling tournaments, the tournament manager shall be responsible for submitting all scores and a prize list to USBC Headquarters as required within 30 days of the tournament's conclusion.

# Chapter 6: Tournament Rules

## Rule 300 – Tournaments

### 300a. Definition

---

A tournament is a competition, other than a league, in which the game of American tenpins is played. Competition can include one or more events.

Total pins will decide the champions and other prize winners in each of the events unless another system, based on merit pinfall, is stated in the tournament rules.

### 300b. Qualification

---

USBC will issue a tournament certificate provided:

1. Application is made prior to the start of the tournament using the Tournament Certification Program on BOWL.com. USBC Headquarters will determine the amount of coverage, if any, for tournament applications received after the tournament begins.
2. The tournament consists of two or more teams or a singles tournament of two or more individual entrants.
3. The lanes used are USBC certified for the current season.
4. Competition among entrants in an event, except all-events, is held in the same establishment, except as provided in Rule 302, Mail-o-Graphic Tournament. When an event is divided into two or more divisions, competition in each division is held in the same establishment, except as provided in Rule 302, Mail-o-Graphic tournament.

A tournament certificate may be refused if the tournament does not comply with the USBC rules, and/or the number or value of the prizes offered or guaranteed, are misrepresented.

### 300c. Eligibility

---

All entrants in a tournament must qualify under the rules of the tournament.

1. With the exception of the following, all participants must hold USBC membership or purchase associate membership prior to participation as indicated in Item 2 below:
  - a. A moral support tournament (See Rule 301a).
  - b. Tournaments that allow a participation fee of \$5 Adults, \$2 Youths. Payment of the fee prior to participation entitles the entrant to participate in that specific tournament only and subjects the bowler to the USBC rules and jurisdiction for that tournament. Participants who pay the participation fee are not eligible for USBC awards.
  - c. A youth tournament that accepts all youth bowlers. (This would mean no tournament participation fee would be collected from nonmembers of USBC.) Only those who are USBC Youth members qualify for high score recognition. Only entrants who are USBC members before participation in the tournament are eligible for USBC awards.
2. An individual may apply for associate membership by paying:
  - a. **Adults:** National dues (\$10) plus the actual dues charged by the state and local association

the bowler is joining. When state and local dues are not known, adult associate dues will be \$21 (\$10 national, \$10 local, \$1 state).

- b. **Youth:** \$17 (\$14.50 National, \$2 local processing, \$.50 state)

When associate membership is obtained after March 15 of any season, the individual shall become a member for the balance of the current season and the next season.

Only entrants who are USBC members before participation in the tournament are eligible for USBC awards.

## **Rule 301 – Types of Tournaments**

### **301a. Moral Support**

---

A moral support tournament is one in which the tournament is conducted by a single civic, fraternal, benevolent, military service, union or religious organization. At the discretion of USBC, a tournament may be granted moral support status when:

1. It meets all of the requirements of Rule 300b.
2. Participation is restricted to those affiliated with the organization conducting the tournament.
3. Anyone under suspension from, or who has been refused membership in USBC or CTF, will not be allowed to participate.
4. International competition is provided for the bowlers not served by USBC, as long as the equipment conforms to USBC equipment specifications.

USBC members may participate in a moral support tournament with award recognition automatically extended. Eligible nonmembers may qualify for USBC award recognition by paying USBC associate membership dues before participation.

### **301b. Youth**

---

A Youth Tournament is one in which youth members participate where no cash or bonds are offered or merchandise prizes exceed \$500 in value.

Youth participants shall not wear apparel or use bowling equipment depicting alcohol, tobacco, gambling, an illegal substance or inappropriate language/gestures during competition.

This rule also applies to youth bowling in adult/youth tournaments.

**Penalty:** First offense will result in a verbal warning and apparel change or removal of equipment. Failure to comply will cause the bowler's score to be disqualified and the bowler to be removed from the competition.

### **301c. Adult/Youth**

An adult/youth tournament is one in which youth members bowl with adults and awards to both adult and youth bowlers conform with USBC Youth Eligibility Rule 400. An adult/youth tournament may:

1. Adopt a rule to allow an adult's score to be matched to several youths' scores for the purpose of

determining doubles totals. When allowed, all entries must be submitted with the corresponding fees, prior to the adult's participation. Handicap will be added if applicable.

2. Certify only the youth portion of the tournament and not require the adults to be members of USBC or pay the participation fee. Youth entrants who are USBC members before participation in the tournament are eligible for USBC awards.

### **301d. Scholarship**

---

All scholarship tournaments must deposit scholarship prize awards with the SMART program within 30 days after the end of the tournament.

### **301e. Pro-Am**

---

Pro-am style tournaments conducted for a charitable organization, or in conjunction with a USBC tournament, may be granted a certificate under the following conditions:

1. Participants who are identified as professionals by tournament management may not share in the amateur prize distribution.
2. The score of the professional or organization member counts with the score of each designated amateur.
3. All other USBC rules apply to the competition, including tournament reporting requirements.

A pro-am style format in which pin count is conceded either to the amateur or professional can be certified by USBC as a modified format.

## **Rule 302- Mail-o-Graphic Tournament**

A mail-o-graphic tournament is one in which scores are submitted from separate or the same competition, bowling establishment or association and are compared to qualify for prizes in one common prize list. The following provisions apply to all USBC mail-o-graphic tournaments:

- a. All scores are submitted to the tournament manager who enters the scores and determines team and/or individual standings.
- b. All scores used are from certified competition.
- c. USBC will certify such tournaments provided:
  1. All USBC equipment specifications apply.
  2. All rules for USBC tournaments shall apply insofar as applicable.
  3. Application must designate tournament as a mail-o-graphic tournament.
- d. As the scores used in mail-o-graphic competition are already recognized in the certified competition in which they are actually bowled, they are not eligible for USBC national awards.

## **Rule 303 - Management**

Tournament management has supervisory control of all technical parts of the operation of the tournament including the following:

- a. Drafting the schedule and prize list.
- b. Adopting and enforcing the tournament rules, provided they are not in conflict with any USBC rules.

- c. Deciding all disputes, complaints or protests involving any USBC or tournament rules, or appeals from the decision of tournament personnel.
- d. Deciding any matter about the operation of the tournament, when not inconsistent with the tournament rules or USBC rules.
- e. Accepting or rejecting any entrant.

The decision of tournament management shall be final except where an appeal is made to USBC Headquarters. (See Rule 329 for appeal procedures.)

**NOTE:** Disqualification procedures and sample letters can be found in the *Tournament Managers Manual* on BOWL.com.

## **Rule 304 - Authority of Team Captain**

The acceptance of an entry by tournament management constitutes an agreement by the captain on behalf of the team to abide by all rules of USBC and the tournament. The captain:

- a. Is the team representative and is responsible for:
  - 1. The lineup and conduct of the team in tournament play.
  - 2. Paying each member of the team within 30 days after receiving prize money in accordance with verbal or written agreements.
  - 3. Determining who bowls on the team in the team event. If the captain replaces a player originally entered in the team event, ample notice must be given to the player being replaced. If that player paid the entry fee, it must be returned except that any indebtedness may be withheld.
- b. Or an authorized representative may replace any team member who is unable to attend or compete at the scheduled time.
- c. Can, prior to bowling, request a replacement in the doubles and/or singles event, if the bowler originally entered agrees to being replaced.
- d. Cannot be removed except for a rules violation or for failure to appear to bowl when scheduled.

**Youth tournaments:** The adult leader who submitted the application is responsible for the above duties unless they have given this responsibility to the team captain.

## **Rule 305 - Fees**

The management of a USBC tournament must publicize fees separately per event on the entry form and advertising material as follows:

- a. Prize/Awards Fee.
- b. Expense Fee.
- c. Total, per entrant, per event.

Prize and expense fees for all-events and special features may be charged, but must be listed separately.

These, and other collections to qualify for participation, such as donations, subscriptions or banquet fees must be stated on the entry form and advertising material.

**Youth tournaments:** Where an "awards fee" is charged, all such fees collected must be returned 100 percent to the participants in the form of awards that comply with Youth eligibility requirements.

### **Rule 306 - All-Events**

Participants in a tournament may be charged an optional fee for an all-events contest when two or more events are scheduled or when two or more tournaments are conducted under the same management. When an all-events fee is charged, the following apply:

- a. Expense fees may be charged for participation in an optional all-events contest when in accordance with the requirements in Rule 305.
- b. The all-events fee must be paid before the advertised closing date for entries or before the participant bowls any of the events, whichever comes first.
- c. An all-events entry can be transferred if the transfer is made before either of the bowlers involved have participated in any event of the tournament.
- d. Distribution of prizes shall comply with the formula prescribed for payment of regular position prizes and the ratio of return shall be at least one to 20 or major fraction thereof, unless the tournament rules state another prize ratio. Where a trophy or award, other than cash awards, is offered for the all-events championship, the bowler who places first in all-events is entitled to the award even if the bowler did not pay the optional fee. In such instances, the trophy or award cannot be considered as part of the all-events prize fund, and must be purchased from other funds.

#### **Youth tournaments:**

- e. The all-events fee shall not be greater than the highest awards fee charged for any event of the tournament.

### **Rule 307 - Special Features**

Prize fees may be charged for one or more optional special feature events, subject to the following:

- a. These events are open to all eligible entrants who qualify in accordance with tournament rules.
- b. Expense fees may be charged for participation in an optional special feature contest when published in accordance with the requirements of Rule 305.
- c. Distribution of special feature prizes shall comply with the formula prescribed for payment of regular position prizes, unless otherwise stated in tournament rules.

### **Rule 308 - Distribution of Prize Funds**

The sponsor and management of a USBC tournament undertake a fiduciary obligation that all funds provided by that part of the entry fee designated as prize fee, but not including interest thereon, shall be held in trust for the exclusive benefit of tournament participants. Such funds cannot be used for any other purpose.

All prize money collected in an event or division of an event must be returned to the participants in that event or division of that event, except where replacements or correction of averages require a change of classification. In that case, prizes will be distributed to reflect the actual number of participants in the event or division of the event.

USBC may, at its discretion, require a bond or in lieu thereof, a satisfactory assurance that the prize fund obligations will be met.

The following prize fund requirements apply, unless otherwise provided by tournament rule:

- a. The last place prize, including those paid for each last place tie, must be equal to at least the amount of the prize fee in the event.
- b. In team, doubles and singles events there shall be at least one prize for each 10 entries or major fraction thereof.
- c. If special prizes exceed 25 percent of the prize fund in an event or division of an event, and a bowler or team can qualify for both a special and position prize, all prizes won by a bowler or team count as one prize in determining the ratio of one prize for each 10 entries. Special prizes may include, but are not limited to, the following:
  1. Scratch prizes in a handicap event.
  2. Single game prizes.
  3. Limited group prizes, such as early bird, average category, sponsor and weekend prizes, etc. Squad prizes to which all participants in an event are eligible are not defined as special prizes.
- d. When there are 100 or more entries in an event or division of an event, first place or the amount spent from the prize fund for a first-place prize, shall not exceed 40 percent of the total prize fund. Second place must be equal to at least one-half of first place or the amount spent from the prize fund for first place.
- e. When special prizes are offered and a team or individual can win a position and a special prize, the total prize paid to second place shall be at least one-half the combined total of first place plus the special prize of greatest value.

### **Rule 309 - Prize Payment and Report**

The following requirements must be met by tournament management within 30 days after the end of the tournament:

- a. Distribute all prizes except when USBC Headquarters has authorized delay in payment.
- b. Submit the following to USBC Headquarters:
  1. A prize list with the name and score of each prize winner and the prize issued.
  2. A financial statement listing all prize receipts and disbursements.
  3. Associate membership and participation fees received and a list of those paying such fees.
- c. For tournaments with scholarship prizes, in addition to the above requirements, all scholarship prize awards must be forwarded to USBC Headquarters for deposit with the SMART program.

## **Rule 310 - Entries Close**

### **310a. In Advance**

---

If the date for closing entries is before the opening day of the tournament, the following shall apply:

1. Advance notification of time and date of participation must be given to team captains and individual entrants.
2. All entries postmarked the first post office business day after the entry closing date shall be accepted. Additional entries for any event shall not be accepted after that date.
3. If a schedule is not published, a complete list of entrants must be available for review upon request.
4. Tournament management cannot show in the schedule "partner," "reserved" or similar term instead of a team or individual entry.

### **310b. Prior to Last Squad**

---

When the date for closing of entries is set prior to the time the last squad is scheduled, the tournament management shall:

1. Include in the rules the following:
  - a. Exact time the last squad is scheduled to start;
  - b. Exact time for closing of entries.
2. Have the following information available upon request:
  - a. Number of entries to date;
  - b. The high score in each event or division of each event.

Tournament management shall not accept additional entries after the closing of entries.

## **Rule 311 - Submitting Entries**

Acceptance of a written entry by tournament management for one or more events regulates the number of players who are eligible to participate. The entry form must contain the names of the players entered. The required fees must be received by tournament management by the closing date or the time entrants are scheduled to bowl, whichever occurs first.

## **Rule 312 - Conditions Cannot Change**

The conditions under which entries are accepted cannot be changed or modified after the tournament starts, unless otherwise directed by USBC Headquarters. This includes entry fee charges and the rules governing the competition.

## **Rule 313 - Free or Reduced Entries**

When a free or reduced entry is given, an amount equal to the prize fee for such entry must be paid into the tournament prize fund by management.

## **Rule 314 - No Fees Returned**

After an entry has been received, and the dates assigned by tournament management are not refused before preparation of the schedule, the entry fee cannot be refunded.

## **Rule 315 - Multiple Participation**

Unless the tournament rules state otherwise:

- a. Participation in each event shall be limited to one time.
- b. In order to place more than once in the prize list for positions standings:
  1. Five- and four-player team event. At least two players in the lineup must be different.
  2. Three-player team and doubles event. At least one player in the lineup must be different.
- c. In a singles event, the same individual may not place more than once.
- d. The bowler's first appearance in each event counts toward the all-events total.

## **Rule 316 - Singles Event Squad**

In singles tournaments, a minimum of two entries constitutes a squad and these entries must bowl on the same pair of lanes. If a bowler competes alone as a squad, the score shall be disqualified.

## **Rule 317 - Handicap - Youth Competition**

When tournament winners are determined by using a handicap system, the following requirements must be met:

- a. Handicap must be based on a known average prior to the start of competition.
- b. Handicap may not be limited and the full handicap allowance must be given.
- c. When handicap is assigned on a game basis, fractions must be dropped prior to determining the handicap.
- d. When handicap is assigned on a series basis, the handicap shall be calculated on the difference of the player's series average and the scratch series handicap basis. Rounding up is prohibited.

## **Rule 318 - Averages - Youth Competition**

The following applies to all youth competitors unless tournament rules state otherwise, except that only USBC league averages shall be accepted:

- a. Individual averages must be based on a minimum of 12 games in a USBC league. Averages established in USBC leagues which start its schedules after March 15 for the Summer season shall be accepted as official.
- b. If an error occurs in the classification of an individual or team, which is detected prior to the awards distribution, correction to proper placement must be made and the score recalculated, with no penalty, unless the tournament rules indicate disqualification.
- c. Rules 319a, 319d and 319e do not apply.

## Rule 319 - Averages

### 319a. Conditions that Apply

The following conditions apply to averages in handicap or classified tournaments, unless the tournament rules state otherwise, except that only USBC league averages shall be accepted. (See Rule 319c for average adjustment.)

1. Individual averages must be based on a minimum of 21 games in a USBC league.
2. When the previous season's average is used, and at the time of bowling an entrant has a current average for 21 or more games that is 10 pins or more higher than the prior season's average, the current average must be used.
3. Bowlers are responsible for verifying his/her own average, whether submitted by the bowler, the team captain or others. If the submitted average is lower than required and results in a lower classification or more handicap, the bowler's score is disqualified. If the submitted average is higher than required, prize winnings will be based on the submitted average. In the case of a team of two or more bowlers, the averages will be combined to determine if the correct total is higher or lower than the submitted total.
4. Average corrections can be made up to the end of the bowler's first game of a series. Or, if an extension of time has been granted in writing by tournament management before the end of the first game of a series, the correction can be made within 48 hours after the end of the series.
5. When an association publishes a yearbook, a tournament using previous season averages to determine handicap or classification, shall use the yearbook to verify averages, if furnished, and not require the association to verify averages from that association.

**319a/1** The tournament rules require bowlers to use their highest average from the previous season. A bowler has an established previous season left-handed average of 150 and a 175 right-handed average. He plans to bowl with his left hand in the tournament. Which average would he use?

The tournament rules require all bowlers to use their highest average. Therefore, he would have to use his 175 average, regardless of whether he bowled with his right or left hand.

**319a/2** Last year a bowler averaged 190 right-handed. Due to an injury, he is bowling left-handed this season and averaging 127. The bowler would like to participate in the city and state tournaments bowling left-handed. However, the tournament rules require participants to use their highest previous season average and the bowler does not want to bowl left handed using his 190 right-handed average. Can the bowler apply for tournament average relief? If so, how?

Through the provisions of Rule 4e, a player now has the ability to request relief from an established average under injury or disability circumstances. All applications for tournament average relief must be submitted to USBC Headquarters first for consideration prior to participation. (See Rule 4e for details.)

If authorization is granted by USBC Headquarters, the player will be notified in writing of the minimum average a tournament may assign and the time limit for the relief. The bowler then must request tournament management's permission to use the assigned average. However,

tournament management still has the authority to deny the relief and require the bowler to use the average as stated in tournament rules or assign the bowler an average that meets or exceeds the minimum established by USBC.

### **319b. Assigned Averages**

---

A bowler who does not have an acceptable average under tournament rules will bowl scratch, unless the rules specify a minimum average that will be assigned by tournament management prior to participation.

Tournament management has the authority to assign an average higher than the minimum average prior to participation.

### **319c. Average Adjustments (Rerating)**

---

The average of a bowler may be adjusted upward before participation in any event. If the assigned average is not accepted by the bowler, the entry fee shall be refunded.

#### **319c/1 I entered a house tournament with my 175 league average. Prior to bowling they adjusted my average to 190. Can I appeal this adjustment to USBC?**

No, USBC is not in a position to substitute our judgment for that of tournament management in that they would have first-hand knowledge of the situation. In accordance with Rule 319c, the only condition USBC can impose is that the adjustment must be accomplished before the entrant bowls, and if the adjustment is not accepted by the entrant, his/her entry fee shall be returned. The exception is the local and state championship tournament conducted by the association. Such adjustments may be appealed to USBC within 15 days of the date of bowling or prior to the payment of prizes, whichever comes first.

### **319d. Reporting Prior Prize Winnings**

---

A handicap or classified tournament may require a bowler to report any previous tournament prize winnings as a condition for entry.

In a handicap or classified tournament that does not have such a rule, anyone who has qualified\* for a cash and/or merchandise prize of \$600 or more in the position standings prize list in any event in a tournament, including all-events, special features, special prizes and donated prizes, within the last 12-month period, must give tournament management the following information prior to participation, for possible average adjustment:

1. The name of each tournament in which they have been paid such a prize, or if not yet paid, in which they have qualified for the prize.
2. The amount of the prize.
3. The actual score bowled to qualify for the prize.
4. The prize position.

Failure to comply with these provisions is cause for a forfeiture of entry fees and prize winnings.

**NOTE:** \*Qualified is defined as the date and time the tournament officially ended (completion of the last squad or round of competition), or payment of prizes, whichever comes first.

All bowlers regardless of average must comply with the provision of Rule 319d.

Prize winnings from certified and noncertified tournaments, including those using a modified format of American tenpins (example: 9 pin tap), must be used in the application of this rule.

**319d/1 A tournament requires bowlers to report tournament prize winnings of \$600 or more in the past 12 months. Recently I won \$1000 in a non certified tournament. Do I have to report these winnings?**

Yes, all bowlers are required to report prize winnings of \$600 or more from certified and non certified tournaments, including those using a modified format of American Tenpins.

**319d/2 Does a scratch bowler bowling in a house tournament have to report prize winnings of \$600 or more in accordance with Rule 319d?**

Yes, anyone who has qualified for a prize of \$600 or more must report this information regardless of what their average is. By not reporting this information, tournament management was not afforded the opportunity to review the information for possible rejection of the entry.

**319e. Average Adjustment for Entry**

---

**NOTE:** All certified and noncertified scores from the game of American tenpins must be used in the application of this rule.

Unless the tournament rules state otherwise, the following applies in a handicap or classified tournament:

1. The bowler is responsible for keeping a record of the names, dates, scores, and prize winnings in all tournaments entered in the previous 12 months, including those still running. These include all tournament scores bowled in accordance with the game of American tenpins.
2. A bowler shall adjust his/her entering average if, during the 12-month period immediately preceding the time and date of bowling, the bowler's accumulated average for all, but not less than 21 tournament games, exceeds the average to be used for entry by 15 or more pins. In that case, the accumulated average must be used for handicapping or classification purposes.
  - a. A bowler whose tournament scores require an adjustment must submit the adjusted average in writing before the end of the first game in a tournament, unless tournament rules allow for such adjustment to be made within a specified time after bowling.
  - b. Failure to use the adjusted average in accordance with the foregoing is cause for forfeiture of entry fees and prize winnings, and the bowler is subject to suspension of membership in USBC.

On appeal or protest, the bowler must promptly supply the record of the names, dates, scores and prizes won — or scores that qualify to win — in all tournaments in which the bowler competed within the previous 12 months.

Nothing in this rule supersedes tournament management's authority to adjust the bowler's average higher prior to bowling.

### **319f. Canadian Tenpin Federation Averages**

---

USBC will recognize averages established in leagues under the jurisdiction of the Canadian Tenpin Federation (CTF) for entry purposes in USBC tournaments provided:

1. Adult averages are based on a minimum of 21 games and youth averages are based on a minimum of nine (9) games, unless tournament rules state another number.
2. All USBC equipment and certification specifications apply to the bowling centers in which averages are established.
3. All USBC general playing rules apply to the league(s) in which the averages are established.
4. Tournament rules do not exclude CTF averages.

## **Rule 320 - Tournament Game/Series**

### **320a. Two Lanes Required**

---

Bowling shall begin in accordance with a previously arranged schedule. Two lanes immediately adjoining each other shall be used in each game of tournament play.

The first game of a series starts on the lane where the team or individual is scheduled. Succeeding games start on the lane on which the team or individual finished the preceding game, unless each complete game is bowled on a different pair of lanes.

A tournament may have a rule allowing game/frames to be bowled on different lanes.

### **320 b. Order of Bowling**

---

Members of competing teams, doubles and individual entrants shall successively and in regular order bowl one frame on one lane, and for the next frame alternate and use the other lane until five frames are bowled on each lane of the pair, unless the tournament rules allow game/frames to be bowled on different lanes.

## **Rule 321 - Interrupted Game/Series**

If equipment failure on a pair of lanes would delay the progress of the game/series, tournament officials can authorize the completion of a game/series on another pair of certified lanes. The interrupted game/series must be resumed from the point of interruption. A tournament official may authorize participants on the pair to practice prior to resuming the game/series.

## **Rule 322 - Players**

### **322a. Tardy Players**

---

1. Unless the tournament rules allow missed frames to be made up, a player or team missing one or more frames by not being present and ready to bowl in turn shall:
  - a. Begin play with the score to count from the frame then being bowled.
  - b. Not be credited with any pins for the frames missed.
2. If a team refuses to start because a full lineup is not present, tournament management, at its discretion, can declare the game forfeited.
3. A bowler must bowl on the same lanes and at the same time his/her team bowls.

### **322b. Absentee/Vacancy Scores**

---

**Adult tournaments:** No absentee or vacancy scores shall be permitted.

**Youth tournaments:** Unless otherwise stated in the tournament rules:

1. An absentee score must be accepted in a prepaid four- or five-player team tournament if an individual does not show.
2. Only one absentee score per team may be used.
3. The absentee score for each game shall be the absent member's entering average less 10 pins, plus handicap.

### **Rule 323 - Pacers**

Unless otherwise provided by tournament rules, pacers are permitted subject to the following:

- a. Scores bowled as a pacer shall not count in determining prize winners.
- b. A pacer cannot later enter or compete in the tournament, unless the tournament rules permit multiple participation.
- c. If a pacer is a USBC member, any scores bowled as a pacer are eligible for USBC individual awards.

### **Rule 324 - Lineup Changes**

#### **324a. Prior to Squad**

---

If a change in a team or doubles lineup is desired, it must be requested at least 30 minutes before the time the entrants are scheduled to bowl, unless otherwise stated in the tournament rules.

Thereafter, no player shall change position in any team or doubles lineup after the player has been checked onto the lanes to bowl, unless authorized by the tournament official in charge. Violation may be cause for disqualification.

If a replacement is needed on each of two teams, the entrants present may be paired together.

#### **324b. Substitution During Game or Series**

---

After a series has started, substitutions can only be made using the following guidelines:

1. Team or doubles series:
  - a. The captain can replace any player with a qualified substitute at any time but no changes can be made in the order of the players.
  - b. A player removed during a game cannot return to bowl in that game.
  - c. The score of the game is credited to the starting player.
2. Singles event:
  - a. No substitutions can be made except in tournaments where two or more series or blocks of games are bowled. In such events, substitutes may be permitted at the discretion of tournament management.
  - b. A player removed cannot return for the balance of the competition.

Scores bowled through the efforts of more than one individual player do not qualify for USBC awards, tournament individual awards, other than position standings prizes, nor can the scores be included in the all-events total.

## **Rule 325 - Team Bowling Alone**

The following applies when a team or individual is scheduled alone on a pair of lanes except team tournaments which, by rule, schedule each team alone and permits the members to follow each other immediately in order on the alternate lane:

- a. Games must be bowled as though they were contested.
- b. Each player must complete a frame on one lane before the player bowling lead off starts the next frame on the adjoining lane.
- c. Match play tournaments may establish target scores, for purposes of determining whether teams qualify for bonus points, when there is less than a full complement of teams.

## **Rule 326 - Tie for Championship**

### **326a. Playoff/Co-Champions**

---

When there is a tie for any championship in a tournament, it is optional with tournament management to have a playoff or declare co-champions. However, if there is a duplication of personnel on the tied teams, Rule 326b applies.

1. Co-Champions:
  - a. The cash prizes for the positions affected are to be equally divided.
  - b. Tournament management is required to supply additional medals or awards it makes to champions, which are emblematic of co-championships, from a fund other than the prize fund.
2. Playoff:
  - a. In match game or elimination tournaments, the number of games or frames played in deciding ties shall be determined by tournament management.
  - b. In other tournaments, one game shall be played in deciding all ties, unless otherwise specified in the tournament rules, but under no conditions may the playoff consist of less than one delivery.
  - c. In playing off a first-place tie, the team or individual scoring the highest is entitled to all first place prizes, except the optional all-events cash prize is dependent on whether the winner is eligible. The team or individual with the next highest score is entitled to second prize, etc.
3. Ties for other than first prize and position shall be decided by tournament management.

### **326b. Multiple Participation Tournaments**

---

When multiple participation is permitted in a tournament and one or more bowlers are members of the teams tied for the championship, the following procedure applies in deciding the championship.

1. When two or more teams are tied, and the same bowlers are duplicated on all of the tied teams, co-champions may be declared. If a playoff is conducted, only those members not duplicated on the teams shall bowl in the playoff series.

2. If three or more teams are tied, and the same bowlers are not duplicated on all of the tied teams, co-champions must be declared.

## **Rule 327 - Scoring Process**

### **327a. Scorers**

---

A tournament is required to have official scorers to record all games bowled in the tournament or use a USBC approved automatic scoring device.

If a full complement of scorers is not available and the bowlers affected cannot be rescheduled, they may be allowed to record his/her own scores under supervision of tournament management.

In match game tournaments where the pin count is not carried forward, tournament management may authorize the competing players to keep score.

### **327b. Scoring Errors**

---

After a score has been recorded, it cannot be changed unless there is an obvious error in scoring or calculation. Obvious errors must be corrected by a tournament official immediately upon discovery. Questionable errors shall be decided by tournament management.

Tournament management may, by rule, set a time limit for the correction of errors.

### **327c. Loss of Scores**

---

A tournament game or frame(s) within a game that is irretrievably lost in the scoring process may be rebowled with approval of tournament management, unless prohibited by rule. The decision of tournament management shall be final, except where an appeal is made in accordance with Rule 329, Item b.

## **Rule 328 - Changing Delivery**

In handicap and classified tournaments, once the bowler has taken his/her first shot, he/she shall continue to use that hand throughout the tournament unless, due to injury, the bowler finds it impossible to continue bowling with the same hand. The bowler may seek approval of the tournament director to continue with the opposite hand.

**Penalty:** Disqualification in the event in which the violation occurs and loss of entry fee for that event.

## **Rule 329 - Protests and Appeals**

Protests and appeals must be in writing stating the grounds for the protest or appeal.

- a. A protest involving eligibility or playing rules must be filed with tournament management and:
  1. **Adult tournaments:** Within 72 hours of the infraction, or prior to tournament prizes being paid, whichever is occurs first.
  2. **Youth tournaments:** Within 72 hours of the infraction.

- b. The decision of the tournament management shall be final, unless a written appeal is filed with the local association or USBC Headquarters and:
1. **Adult tournaments:** Within 10 days of notification of tournament management's decision.
  2. **Youth tournaments:** Within 72 hours of notice of the decision.

Upon notification of a protest or appeal, tournament manager must withhold all affected prizes until the protest or appeal is resolved.

The decision of the local association may also be appealed to USBC Headquarters. The decision of USBC Headquarters is final and binding on all involved parties.

### **329/1 What is the deadline to file a protest?**

In accordance with USBC Rule 329, in USBC adult tournaments, a protest regarding eligibility or playing rules must be confirmed in writing and filed with tournament management, the local association, or to USBC within 72 hours of the infraction or prior to the payment of tournament prizes, whichever occurs first.

In USBC youth tournaments, a protest regarding eligibility or playing rules must be confirmed in writing and filed with tournament management within 72 hours of the infraction.

# Chapter 7: Equipment Specifications and Certifications

**NOTE:** The following are Commonly Asked Questions explaining some of the specifications USBC has implemented. The *USBC Equipment Specifications Manual* containing all USBC equipment specifications, including detailed information on all revised measurement and material specifications is available on BOWL.com.

## **Where does someone find out what products are approved for use during competition?**

Any bowling ball, accessory or cleaner used in certified USBC competition must be approved and located on the list on the Equipment Specifications page on BOWL.com. Additionally, for identification purposes, bowling balls must have the manufacturer's name, product name and the serial number.

## **Can I use a ball with a crack in it?**

If a crack is located within your track area, it is not permitted for use during USBC competition. A crack is defined as a narrow opening or crack of considerable length and depth usually occurring from some breaking or parting.

## **I use rosin or powder in my gripping holes. Do I need to wipe my ball after every use?**

Yes. Rosin and powder are considered foreign substances and must be wiped off completely before making a delivery. In addition, these substances may be only used as a gripping aid and may not be placed anywhere else on the ball surface.

## **Do I have to use all gripping holes during the delivery of the ball?**

If a thumb hole is not being used during a delivery and a weight/balance hole is present, a bowler must demonstrate that all gripping holes can be used for gripping purposes simultaneously. The ball must be within specification as the ball rests in the bowler's hand but all holes do not need to be used for gripping purposes during a delivery.

## **Do lanes have to be dressed prior to every league?**

No. Every bowling center is inspected annually for a compliant lane condition. USBC specifications dictate that when the lanes are dressed, a minimum of three units from edge board to edge board be used for the length of the pattern. As long as this is done when the lanes are initially dressed, they are compliant.

## **If my bowling ball's serial number has been removed or is no longer visible on the ball, is it still legal/acceptable to use in USBC competition?**

If the serial number can no longer be identified, it must be replaced by engraving another serial number provided the ball's original product name and manufacturer's name are still visible. The manufacturer's name, product name and the serial number must be visible for the ball to be used in USBC competition. These items must be included to verify that it is an approved ball.

**It is discovered that my bowling ball is out of specification while bowling league or just after. What happens?**

If it is found that the bowler had prior knowledge, a protest can be filed within the time constraints of USBC Rule 119. All games would be subject to forfeiture within the previous 15 days. If the bowler had no prior knowledge the games would not be subject to forfeiture but the ball would not be able to be used until the issue was resolved.

**Our lanes didn't appear to be dressed the same as normal. This time the center put down a (sport shot, or the machine malfunctioned) are our scores still valid or can they be null and voided?**

The scores are valid and they may not be null and voided. As long as the minimum specifications are met, the condition is compliant and the scores stand as bowled.

**On my first delivery, I don't use my thumb hole, I also have a balance hole. Is this acceptable?**

Yes, a bowler must only be able to reasonably demonstrate that all gripping holes can be used for gripping purposes simultaneously. As long as the ball is in specification as the ball rests in the bowlers hand it is acceptable.

# Chapter 8: Bonding, Burglary and Holdup Insurance

The USBC maintains a policy of bonding, burglary and holdup insurance for all chartered associations and the officers of certified leagues. The bonding, burglary and holdup insurance coverage described in this chapter is available through a policy of insurance issued to the USBC by an independent licensed insurance company. The policy covers:

1. Misuse of Funds. A shortage attributable to dishonesty by a league or association officer.
2. The taking of funds from an officer, or the center's messenger, by violence or threat of violence.
3. Funds taken through the forcible entry into the premises or locked receptacle, where the funds are kept, of an officer or the center's messenger. There must be visible evidence of forcible entry. An on-site police report is required.

Any officer authorized by the league or association to sign contracts and act as a signatory on any account must be a minimum of 18 years of age.

No insurance coverage is available except as specifically set forth in the policies of insurance purchased by the USBC.

The surety company shall not be held liable for any loss which, on investigation in a given case, may have existed prior to the time the bond or insurance became effective.

The policies of insurance do not cover funds frozen through insolvency or liquidation of any financial institution. Further, the policies of insurance do not cover loss of funds due to bowling center insolvency or liquidation.

## **Dishonest Acts of Officer**

---

Leagues officers are automatically bonded for up to \$10,000. Leagues with prize funds in excess of \$10,000 receive full coverage, provided the full amount of the prize fund is indicated on the league certification application when submitted to the local association.

The following conditions govern the method by which leagues must handle funds to qualify for 100 percent protection of any loss caused by the dishonest act of a league officer:

- The league certification application and membership dues must be received within 42 days of the start of the schedule (30 days for summer leagues), counting the first day of competition.
- Funds must be deposited within seven days in an insured bank, credit institution or an in-center banking service in the name of the league. The banking or credit institution must be a member of the Federal Deposit Insurance Corporation or its equivalent.
- In adult leagues, two officers who are at least 18 years old, authorized by the league must cosign for all withdrawals. Two members of an immediate family cannot cosign for withdrawals. If the president is not the cosigner for withdrawals, his/her name must be identified with the account to enable the president to personally verify the amount on deposit.

- Officers must be USBC members.
- In youth leagues, the league supervisor and league official cosign for all withdrawals and cannot be immediate family members.
- Signature stamps should not be used nor should checks be pre-signed.
- The league president (youth league supervisor) must personally verify the bank account each month. (See Rule 102c.)

**NOTE:** "Verify" means the president must not only determine the amount on deposit, but also do the arithmetic necessary to determine how much should be on deposit. If the account is found to be short, the president must report the shortage immediately to USBC Headquarters for possible action under the bonding insurance policy.

**Failure to meet the provisions of the policies of insurance will result in a 50 percent reduction of any documented loss.**

The bond and insurance shall remain in force for continuing leagues not only to the end of the season, but for the so-called off season until the new season begins.

If the league application is not received by the association within the 42 (winter) or 30 (summer) day grace period, the bonding and insurance become effective when the application and dues are received by the association, and only for such funds as on deposit at that time, plus funds deposited thereafter. Failure to submit the league application within the stated time voids protection for all money collected prior to the date the league application was received.

### **In-Center Banking Service**

The coverage afforded in the policies of insurance is extended to leagues utilizing in-center deposit services provided:

- All USBC Rules regarding the handling of league funds are observed.
- The center deposits the league funds within seven days of receipt in a special trust account in an accredited, insured banking institution and NOT combined with the center corporate accounts. **(Note: The center may maintain a single account for all leagues; however a separate accounting must be maintained for each league.)**
- Two cosigners (league officers) from the league (league official and league supervisor for youth) are registered with the center in order for the league to withdraw its funds.
- Requests for withdrawals must have the joint signatures of the two cosigners.
- The center provides the league president (youth league supervisor) with a current statement of the account verifying the amount on deposit so the president can personally verify the league balance monthly as required by Rule 102c.

### **Associations**

USBC affiliated associations, with the exception of those located on US Military Bases in foreign countries, automatically are covered for \$10,000 and can obtain additional coverage without cost upon written request to USBC Headquarters or through the WinLABS program.

The policies of insurance provide coverage for misuse of funds by an association officer and bonds all officers and directors of the association for loss of funds due to burglary and/or holdup. Coverage is further extended to a non-board member appointed by the association manager as the tournament manager of a required championship tournament.

The following conditions govern the method by which associations must handle its funds to qualify for 100 percent protection of any loss caused by the dishonest act of an association officer:

- Funds must be deposited within one week in an insured bank or credit institution in the name of the association.
- Withdrawals require the signatures of two authorized officers who are at least 18 years old; signature stamps should not be used nor should checks be pre-signed.
- The president must verify the account monthly.
- The association account must be audited annually.

**Failure to meet any of the conditions of the policies of insurance will result in a 50 percent reduction of any documented loss.**

### **Burglary and Holdup Insurance**

---

The funds of each USBC league and affiliated association are insured against loss by burglary and holdup as follows:

- The taking of funds from an officer, or the center's messenger, by violence or threat of violence.
- Funds taken through the forcible entry into the premises or locked receptacle, where the funds are kept, of an officer or the center's messenger. There must be visible evidence of forcible entry. An on-site police report is required.

**NOTE:** A messenger is considered the person from the center depositing league funds using an in-center banking service.

- Receipts: Not to exceed one week's receipts at any one time, with a limit of \$2,000.
- Disbursements: Not to exceed an amount of \$10,000 at any one time for a period of seven days. (Leagues with large prize funds should only pay out a maximum of \$10,000 in cash with the balance paid in checks.)

In the event the league or association fails to deposit the funds in a recognized banking or credit institution in the name of the organization as specified, the insurance company will be liable for only one week's receipts when a loss occurs due to burglary or holdup.

The policies of insurance DO NOT cover loss by fire, mysterious disappearance or funds left unattended.

### **Losses and Claims**

---

Any loss should be reported to USBC Headquarters for guidance within 15 days.

Any attempt to regain funds through an agreement between the principal and offended parties without authorization from USBC Headquarters creates a legal situation which places the league's right of recovery under the bond in jeopardy.

Any officer who misuses the funds of a league, local or state association shall be subject to suspension from USBC membership. Likewise, the surety company will not extend coverage to any individual who misused funds in the past or has been convicted of a felony.

The president also may be liable for suspension from USBC membership for failing to make the monthly verification.
